

Campus Security Authorities (CSA) Reporting Form

CONFIDENTIAL

According to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 U.S.C. § 1092(f)), San Francisco State University is required to collect and annually publish statistics concerning the occurrence of selected crimes on campus property (including residential facilities), non-campus property, and public property, reported or known to University Police, local police or any individuals identified by the University as "Campus Security Authorities" (CSA). Campus Security Authorities are defined as, "An official of an institution who has significant responsibility for student and campus activities, including but not limited to, student housing, athletics, student conduct, and campus judicial procedures." The information collected from these forms is used to prepare a compilation of statistical crime information for inclusion in the campus' Annual Security Report. University Police will use this form to determine the category of the crime or incident and the location under which the incident should be reported according to the requirements of the Clery Act. Data collected on this form is to be used to promote crime awareness and enhance campus safety.

It is the policy of San Francisco State University to ensure that complainant(s) and witnesses to crime are aware of their right to report criminal acts to the police, and to report University policy violations to the appropriate office. However, if a reporting person requests anonymity, this request must be honored to the extent permitted by law. Accordingly, no information should be included on this form that would personally identify the complainant(s) without their consent.

For Clery purposes, the student status of the complainant or the respondent is not a relevant fact as to whether or not this report form is to be completed. If a violation of one of the 21 listed offenses occurs on San Francisco State University Clery geography, documentation is required, regardless of whether it is believed another report had been previously filed. In order for San Francisco State University to satisfy the statistical reporting requirements of the Clery Act, all CSAs are required to complete this form (without delay) when specified crimes/incidents (listed below) are reported to them or at the end of the year advising no crimes were reported to them. In addition, a person reporting an incident to a CSA shall also be encouraged to report the crime to the San Francisco State University Police Department and/or Title IX office.

Procedures

If you are one of San Francisco State University's CSAs and you receive a report, or otherwise become aware of the occurrence of one of the selected crimes listed below, please do the following:

- 1. Submit a "good-faith" confidential, second hand or anonymous report.
- 2. Encourage the crime complainant (s) and/or witness(es) to report the incident to University Police.
- 3. If the incident indicates the possibility of an imminent community threat, inform UPD without delay.
- 4. If the incident reported is a sexual assault or other violent crime:
 - a. Inform the complainant (s) and/or witness(es) of the support services available.
 - b. Actively support the complainant (s) and/or witness(es) in accessing these services.
- 5. Complete the Crime & Incident Report form and handle as a "confidential" document.
