AVAILABILITY, LOCATION, AND METHODS TO SUMMON LAW ENFORCEMENT ASSISTANCE

Enforcement and Arrest Authority

The San Francisco State University Police Department is located on North State Drive, near the Lot 20 parking structure and Student Life Event Center. The University Police Department provides police services 24 hours a day, 7 days a week to our community. University Police Dispatch can be reached directly by phone at 415-338-7200. The peace officers of San Francisco State University have state-wide police authority and jurisdiction per Penal Code 830.2 and Education Code 89560, and are vested with law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community. The University Police Department maintains primary jurisdiction over campus and SF State owned housing properties through a memo of understanding with the San Francisco Police Department.

In addition to the main campus, SF State maintains a teaching center in Downtown San Francisco and remote research facilities located in Tiburon and Sattley, California. While we do not employ University Police Officers at these locations, we maintain a collaborative relationship with the local law enforcement agencies that are responsible for the safety at these sites and will coordinate with agencies if a security issue arises.
