SAN FRANCISCO STATE ANNUAL SECURITY REPORT

Message from the Assistant Vice President & Chief of Police and Clery Director

Dear Campus Community Member,

On behalf of San Francisco State, we are pleased to present the SF State Annual Security Report, which is compiled in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998. Even given our urban setting, our campus is a relatively safe place for people to live, learn and work. However, we are also not completely immune to crime or violence.

The Clery Act is a federal law that provides transparency regarding campus crime and statistics. Along with annual reporting of statistics regarding crimes committed on and around our campus, it includes important information and disclosures about crime reporting, crime prevention, victims' rights, and information campaigns that raise awareness of how we can create and maintain a supportive campus community.

As members of the San Francisco State campus community, we all share the responsibility of maintaining a safe and healthy environment. Your safety while at San Francisco State is the primary concern of the University Police Department.

We hope you will read this report carefully and use the information to assist us in keeping our community safe, because safety is a shared responsibility.

Thank you for your interest,

Reginald Parson

Assistant Vice President & Chief of Police
Division of Campus Safety

Hope Kaye

Director of Emergency Services & Clery
Division of Risk and Safety Services

Preparing the Annual Security Report

San Francisco State prepares the Annual Security Report (ASR) to comply with federal law, specifically the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). The Clery Act requires that all universities that participate in federal financial aid programs provide their campus communities with the ASR, which contains crime statistic information and important safety policies.

The SF State Clery Compliance Team was established in 2016 for the purpose of conducting quarterly reviews of the University's policies and procedures to ensure compliance with the Clery Act. The Clery Compliance Team will adhere to applicable guidance related to the Clery Act in accordance with the Office of Postsecondary Education (OPE) handbook and the Uniform Crime Reporting Handbook to make certain that we are including all required disclosures in Annual Security Report (ASR).

Additionally, the Clery Compliance Team will follow written procedures that clearly describe the review process used to ensure that the University is reporting crime statistics consistently and accurately in annual security reports. The Clery Compliance Team will also ensure that San Francisco State fully implements the Jeanne Clery Disclosure of Campus Security Police and Campus Crime Statistics Act (the "Clery Act") in our institutional Clery compliance efforts. For complete information on this CSU Executive Order, visit <https://calstate.policystat.com/policy/6590697/latest/>.

On a quarterly basis, the Clery Compliance Team will conduct a meeting to review the University's policies, procedures, and crime statistics with respect to Clery Act compliance in order to confirm that such policies, procedures, and statistics are accurate, comprehensive and effective. On a monthly basis, Clery Compliance Team working groups will convene to advance the projects and initiatives as determined by the Clery Compliance Team and the Clery Director.

The Clery Director shall serve as the Clery Compliance Team leader. The Clery Compliance Team leader shall be responsible for preparing and setting the agenda for the quarterly meeting, coordinating monthly working group meetings, organizing trainings, and completing requisite legal updates. To ensure complete compliance with the Clery Act, the Clery Compliance Team, in conjunction with the office of University Counsel, will finalize any updates, changes, or revisions to Clery Act policy and procedures in sufficient time to ensure inclusion in the ASR. The Clery Director shall be responsible for confirming and ensuring that all approved, required and necessary Clery Act policy and procedure statements are included and submitted for publication in the ASR.

The members of the Clery Compliance Team will conduct a separate review of each Clery Act compliance policy and procedure to determine whether it is current, comprehensive, effective, and consistent with Clery Act requirements. Assigned Clery Compliance Team members will design and draft any new policies or procedures that may be called for due to changes in law or the outcome of any Clery Act investigations of findings during the preceding year and shall revise and update the existing policies and procedures as may be necessary. This internal update of policies and procedures shall include, but is not limited to, the following:

- Clery Act Geography/Campus Mapping
- Gathering, Reporting, and Validating Clery Crime statistics
- Identifying Campus Security Authorities (CSAs)
- Obtaining statistics from Local Law Enforcement

- Maintaining the Daily Crime and Fire Logs
- Emergency Response and Evacuation Procedures
- Timely Warning Policy and Procedures
- ASR Distribution Policy and Procedures
- ASR Policy Statements
- Web-based Data Submission to Education Department
- Missing Student Notification Policy and Procedures
- Fire Safety statistics
- Training Campus Security Authorities (CSAs)
- Drug Free Schools and Communities Act (DFSCA)
- Notice of ASR and Access to ASR

The Clery Act reportable crime statistics for the University are collected and collated by the Clery Director, in consultation with Equity Programs & Compliance, Residential Life, Student Conduct and the University Police Department. The Acting Director for Equity Programs & Compliance, who is the campus Title IX Coordinator & DHR Administrator, maintains & reviews Clery Act crime statistics for the Title IX office from incident reports submitted by Campus Security Authorities. The Assistant Director of Residential Conduct and Support Supervisor manages & reviews Clery Act crime statistics for Residential Life. The Manager for Student Rights and Responsibilities manages & reviews Clery Act crime statistics for the Office of Student Conduct. The UPD Records Supervisor manages & reviews Clery Act crime statistics for the UPD and collects Clery crime reports completed by UPD Police Officers and crime reports provided to the UPD by our neighboring law enforcement agencies. The University Police Department has established collaborative relationships with our neighboring law enforcement agencies who readily provide us with relevant information. The Clery Compliance Team will review the Clery Act reportable crime statistics on an on-going basis for inclusion in the ASR.

Crime statistics are reported pursuant to the guidelines as specified in the Jeanne Clery Disclosure of Campus Crime Policy and Campus Crime statistics Act, as defined under the FBI Uniformed Crime Reporting procedures, and separated by the following geographical areas:

- On-Campus;
- On-Campus residence halls;
- Public Property adjacent to the University; and
- Non-Campus Property.

The following crimes must be reported:

- Murder/Non-negligent manslaughter]
- Sex offenses: Rape; Fondling; Incest; Statutory Rape
- Domestic Violence
- Dating Violence
- Stalking
- Robbery
- Aggravated assault
- Burglary
- Motor vehicle theft
- Arson

Crimes are considered Clery reportable if they are 1) on Clery geography as defined above; 2) a Clery crime as defined above; and 3) reported to a Campus Security Authority ("CSA"). As per systemwide policy,

CSAs must promptly report allegations of Clery crimes that occur within a Campus' Clery Geography that are reported to them. A report may be a written or verbal disclosure made by any person to the CSA, including information shared with the CSA by witnesses or other third parties. CSA reports must include the following, if known: The crime that was reported and the information provided, the exact location where the reported crime occurred, The date and time the reported crime occurred, Any witness and perpetrator information. Victim information, unless the victim requests confidentiality (Employees may be required to share this information with other offices if they have responsibilities under criminal incident to prevent over-reporting or "double counting" of the incident. (from CSU EO 1107 "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the "Clery Act")

In addition, the university must report arrests or disciplinary referrals for liquor, drug and weapons law violations and hate crimes by classification. Statistics on campus disciplinary referrals are collected from the offices of Residential Life and Student Conduct.

Members of the community may obtain a copy of the Annual Security Report at the University Police Department lobby located at 1600 Holloway Avenue, San Francisco, CA 94132, by calling 415-338-7200, or by visiting the University Police Department's website at [https://upd.sfsu.edu/sites/default/files/documents/2024 Annual Security Report Final.pdf](https://upd.sfsu.edu/sites/default/files/documents/2024%20Annual%20Security%20Report%20Final.pdf)

Additionally, the website address for the report is included in the pay stubs of all faculty and staff. All prospective employees may obtain a copy of the report from the office of Human Resources located in Room 252 of the Administration building or by calling 415-338-1872.

2023 - There were no reported hate crimes.

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Hate crimes includes any offense in the following group: murder and non-negligent manslaughter, sexual assault including rape, fondling, incest and statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property.

Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin.

Hate crime reporting is considered for all Clery geography including on-campus, residential facilities, non-campus buildings or property, and public property.

Procedures for Students and Others to Report Criminal Actions or Other Emergencies on Campus

Community members, students, faculty, staff and guests are encouraged to promptly and accurately report (or as soon they are able) all potential criminal incidents and any emergency, including medical emergencies to the University Police Department or to the appropriate law enforcement agency, when these victims of such crime elect or are unable to make such a report. Upon receipt of the call, Officers are dispatched immediately to the site of the incident to take the necessary action.

The University Police Department participates in student programs and new student orientations and events on an ongoing basis throughout the year where information on campus safety and how to promptly contact the UPD or local law enforcement agencies is provided. Additionally, we encourage prompt reporting anywhere on campus you feel comfortable, such as to Student Affairs & Enrollment Management staff or any campus administrator.

San Francisco State strives to create and maintain an environment for learning that promotes respect for and appreciation of scholarship, freedom, human diversity and the cultural mosaic of the City of San Francisco and of the greater Bay Area; promote excellence in instruction and intellectual accomplishment; and provides broadly accessible higher education to the region and state, as well as the nation and the world.

The University Police Department assists with delivering the University mission and strives to create a safe environment conducive to academic excellence and student success. Even though the University Police Department works closely with neighboring Police agencies and employs security measures to reduce and prevent crime, we believe safety and security is everyone's responsibility and we need your assistance.

To minimize the number of criminal incidents on the Main Campus, caring and committed Residential Life staff, professionally trained University police officers, students, and members of the wider campus community participate in a number of shared responsibilities to ensure that the campus community and their possessions are protected.

Campuses and Other Locations

San Francisco State is a community of more than 28,000 faculty, staff and students located in the City and County of San Francisco and in Marin County. In addition to the Main Campus, San Francisco State maintains two (2) separate campuses: a downtown teaching center and a research facility located in Tiburon, California. Additionally, during the summer months San Francisco State also operates the Sierra Nevada Field Campus, located 6 miles north of Sierra City, California. While we do not employ University police officers at these locations, we maintain a collaborative and reporting relationship with the law enforcement agencies at these sites and will coordinate with the local law enforcement agency if a security issue arises.

For Clery purposes, Sierra Nevada Field Campus is considered Noncampus property and any Clery data will be included under 'Noncampus' section of Main Campus data tables. Staff are onsite from mid-May to mid-August, and crime statistics requests are made to local law enforcement for this reporting window.

Note: during 2021, Sierra Nevada Field Campus was closed and did not host any classes or workshops due to Covid-19 restrictions.

Daily Crime Log

The University Police Department maintains a daily activity crime log of all crimes reported to the department. The log is available for viewing on our website at <https://upd.sfsu.edu/daily-crime-and-fire-log>. The log covers the past 60 days. Incidents are posted to the Log within 48 working hours (2 business days) of occurrence. If a case disposition changes, it will be reflected in the log within 48 working hours (2 business days). If an arrest is made, the arrest information will be posted directly below the corresponding incident. Arrest information older than the 60-day log period is considered criminal history and is not available for public viewing.

Reporting Sex Offenses to University or Local Police

If a victim makes a report of a sex offense as enumerated in California Government Code § 6254(f)(2) to local or University Police, the police are required to notify the victim that their name will become a matter of public record unless confidentiality is requested. If a victim requests that their identity be kept confidential, their name will not become a matter of public record and the police will not report the victim's identity to anyone else at the University, including the Title IX Coordinator & Discrimination, Harassment, and Retaliation (DHR) Administrator (see <http://titleix.sfsu.edu>).

University Police will, however, report the facts of the incident itself to the Title IX Coordinator & DHR Administrator being sure not to reveal the victim's name/identity, or compromise their own criminal/police investigation. The victim's identity may not be disclosed to local law enforcement unless the victim consents after being informed of their right to have identifying information withheld. If a victim does not consent, the alleged assailant's identity may also not be disclosed to local law enforcement.

Victims have rights under Title IX, VAWA/Campus SaVE Act and related legislation, and any available resources, such as counseling, health, and mental health services, as well as the right to file a complaint with University and/or local law enforcement. Regardless of whether victims wish to remain confidential, victims receive information on how to report to law enforcement and to the Title IX Coordinator/DHR Administrator. The Title IX Coordinator/DHR Administrator provides interim remedies, if requested and available, regardless of whether the victim chooses to report the conduct to University police or local law enforcement.

Campus Security Authorities

Although San Francisco State encourages the reporting of campus criminal activity directly to the University Police Department, in some instances members of the campus community may notify one of the other Campus Security Authorities about a crime. Crime statistics are gathered from San Francisco State's Campus Security Authorities and are included in our annual security report.

A Campus Security Authority (CSA) is defined as "An official of an institution who has significant responsibility for student and campus activities, including but not limited to, student housing, student discipline, and campus judicial procedures." Individuals may be designated as CSAs if their official job responsibilities involve significant interaction with student and/or campus activities; serve as formal or unofficial mentors to students; serve as a member in an office or of a committee to whom students are instructed or informed to report or discuss crimes, allegations of crimes and other troubling situations; or have oversight for disciplinary procedures.

At San Francisco State, in addition to University police officers, CSAs include: Housing & Residential Life Professional Staff; Resident & Community Assistants; Student Health Staff; Athletics Coaches, Trainers and staff members; Office of Student Affairs & Enrollment Management staff; Faculty Student Organization Advisors; the Dean of Students staff; Student Activities & Events staff; and Title IX staff. For contact information regarding personnel in these various positions, visit San Francisco State's A to Z Directory at <http://www.sfsu.edu/atoz/>.

All CSA's are required to complete annual online training about the Clery Act and their responsibilities.

San Francisco State provides a CSA Incident Reporting form to assist CSAs in fulfilling their CSA-related reporting duties on an on-going basis and in a timely manner. CSA's may obtain the CSA Incident Reporting form at: https://cm.maxient.com/reportingform.php?SFStateUniv&layout_id=2

For additional reference, community members can obtain the San Francisco State CSA brochure at <https://upd.sfsu.edu/sites/default/files/documents/SFSUCSABrochure.pdf>. The CSA brochure is also available on the UPD and San Francisco State Title IX websites.

Voluntary and Confidential Reporting

Pursuant to California Education Code section 67380(a)(6)(A), CSAs who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or non-campus location as defined by the Clery Act, may not disclose to UPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

- i. The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and
- ii. The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

While San Francisco State encourage members of the community to promptly report all crimes to UPD, San Francisco State does have policies requiring confidential, exempt sources defined in the Clery Act (Professional and Pastoral Counselors) to report information disclosed to them of a crime in a confidential session. All confidential exempt sources are encouraged to provide victims of all options and support resources for reporting crimes on campus for administrative or criminal investigation and action.

If you are the victim of a crime and do not want to pursue action within the University system or the criminal justice system, you may still consider making a confidential or anonymous report. Victims or witnesses who wish to report crimes on a voluntary, anonymous basis for inclusion in the annual disclosure of crime statistics may do so by submitting an anonymous tip online at <https://upd.sfsu.edu/anonymous-tip-reporting>, calling our Anonymous Tip Line at 415-338-3030, calling our Investigations Division at 415-405-3875, or sending an e-mail to the general UPD e-mail address at upd@sfsu.edu.

Note: all publicly available record keeping will be maintained without the inclusion of personally identifiable information about the victim.

Crime of Violence Disclosures

The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such a crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such a victim shall be treated as the alleged victim.

California Education Code section 67380(a)(6)(A)

Pursuant to California Education Code section 67380(a)(6)(A), Campus Security Authorities (CSAs) who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or noncampus location as defined by the Clery Act, may not disclose to UPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

- The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and
- The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

Timely Warning Policy

The systemwide Timely Warning Policy shall be adopted and followed by all Campuses of the California State University system. This policy describes the procedures that will be used to provide members of the community with information to aid in preventing them from becoming victims of crimes posing a serious or ongoing threat to the Campus communities. It is intended to provide faculty, staff, and students with timely information about Clery reportable crimes occurring within the defined Clery Geography of their Campuses, and to comply with the Timely Warning requirements of the Jeanne Clery Act.

As required by the Clery Act, CSU Campuses will keep their Campus communities informed by providing a timely warning when appropriate.

- Upon receipt of a Campus Security Authority (CSA) report of a Clery crime on Clery Geography, a Timely Warning analysis shall be completed and documented by the Clery Director. The Clery Director shall have authority to delegate this responsibility as appropriate. It is not necessary to document the completed Timely Warning analysis for referrals to disciplinary action.
- If it is determined that the report includes a Clery crime on Clery Geography, the Clery Director and Chief of Police (or management designee) will confer to analyze the known pertinent facts to determine whether they constitute a serious or ongoing threat to the Campus community. The unavailability of the Clery Director shall not unduly delay the issuance of a Timely Warning.
- If a CSA report includes 1) a Clery crime 2) on Clery Geography and 3) a discernible serious or ongoing threat, a timely warning as described below shall be issued expeditiously.
- In the absence of any of these three elements, no timely warning will be issued.
- The Chief of Police (or the management designee) shall have ultimate authority and responsibility for determining whether to issue a Timely Warning.

Each reported incident must be analyzed on a case-by-case basis. All known factors shall be considered in the case-by-case analysis to determine whether a timely warning should be issued. No single factor should govern the decision regarding the issuance of a timely warning. Campuses are prohibited from circumventing a case-by-case analysis by issuing a blanket rule that timely warnings will be issued for all reports of any given Clery reportable crime. Requests from an outside law enforcement agency to refrain from issuing a timely warning is insufficient grounds on its own for not issuing or delaying the issuing of a timely warning, unless the Chief of Police concurs that by issuing a timely warning, an identified risk can be articulated that would compromise the law enforcement efforts of the outside agency investigating the crime to gather evidence and/or apprehend suspect(s).

The case-by-case analysis will involve reviewing relevant factors including, but not limited to, the following, if known:

- The timing of the report: shortly after the occurrence of the crime vs. days or weeks after the occurrence of the crime, *i.e.*, a "cold report"
- Physical injury to the victim
- Use of weapons
- Forced entry used and/or tools used in commission of the crime
- A suspect arrested or incapacitated by injury
- A suspect that is identified or otherwise can be located by law enforcement
- A suspect that is out of the area
- A victim who fears for their safety from the suspect
- A clear modus operandi and/or pre-planning indicated
- Multiple suspect(s) involved
- A pattern of similar crimes established
- The possible risk of compromising law enforcement efforts, such as to gather evidence and/or apprehend suspect(s), if a warning was issued

Additional Considerations

The Clery Director (or management designee) shall notify the Campus president, as soon as practicable, that a timely warning will be or has been issued.

The Chief of Police (or management designee) is responsible for collaborating with surrounding law enforcement agencies to encourage them to share information with University Police Department (UPD) about crimes reported to local law enforcement that occur in Clery Geography.

Nothing in this policy precludes Campuses from maintaining a Campus policy about informing, re-publicizing and/or sharing with the Campus community crimes or other informational notices, (*e.g.*, traffic advisories, events, prevention information) the Campus deems may be of interest to the Campus community. Such a policy is separate and distinct from the Timely Warning Policy. Such notices must differ in appearance or be distributed in a manner that assures that members of the community understand such notices are different from a timely warning notification required by the Clery Act; members of the Campus community should not be misled to believe such notices are timely warnings.

Contents of a Timely Warning

When a timely warning is issued it shall be entitled "Timely Warning Crime Bulletin" and contain the following:

- A statement that reads, "This Timely Warning Bulletin is being issued in compliance with the Jeanne Clery Act and the purpose is to provide preventative information to the Campus community to aid members from becoming the victim of a similar crime."
- Identify the Clery reportable crime that occurred (i.e., rape, burglary, motor vehicle theft, arson, etc.)
- The date, time, and location the crime occurred
- The date the Timely Warning Bulletin is issued
- Description of the suspect when deemed appropriate, and if there is sufficient detail. Only include a description of the suspect when the descriptors provided by the reporting party could reasonably lead to conclusive identification of the perpetrator(s)
- At least three preventative tips or points of information specifically related to the circumstances of the crime which occurred that could help others from becoming the victim of a similar crime
- The phone number of UPD and a statement encouraging community members to report all information about crimes to UPD
- If appropriate, the phone number of support services

The Timely Warning shall not include, under any circumstances, the name of the victim, or information so specific (i.e., specific address or dorm room number or floor) that would or likely could identify the victim of the crimes of Sexual Violence, Rape, Dating Violence, Domestic Violence, or Stalking. Timely Warning Bulletins should use gender-inclusive and culturally appropriate language and avoid victim blaming and bias language.

Methods of Distribution

Timely Warnings will be distributed as quickly as possible in a manner that will likely reach the entire Campus community. Distribution methods vary from Campus to Campus and include, but are not limited to, any of the following:

- All employee and student e-mail distribution²
- University website³
- Public area video display monitors⁴
- Hard copies posted on Campus building entrance doors⁵
- Press Release⁶

² These would be sent by a member of UPD Command Staff.

³ This would be updated, if appropriate, with collaboration of Strategic Marketing & Communication.

⁴ These would be updated, if appropriate, with collaboration of Strategic Marketing & Communication.

⁵ In case of need this would be done by requesting CSO (Campus Security Officers) to post notices on buildings.

⁶ This would be distributed, if appropriate, by the Media Relations Specialist.

SF State may use the following additional distribution methods for Timely Warnings:

- Facebook: <https://www.facebook.com/SFSTATEPD/>
- Instagram: <https://www.instagram.com/sfstatepd>
- Twitter: <https://twitter.com/sfstatepd> and <https://twitter.com/SFSU>

This list is not intended to be exhaustive or intended to prioritize the method of distribution. The Chief of Police will confer with the Clery Director (or management designee), if available, to determine the most appropriate method(s) to distribute a Timely Warning. In the absence of the Clery Director (or management designee), the Chief of Police will determine the appropriate method of distribution. Campuses are required to maintain a list of the methods of distribution for timely warnings and include said list in the Campus's Annual Security Report.

Emergency Notification Policy

The systemwide Emergency Notification Policy shall be adopted and followed by all Campuses of the California State University system. This policy describes the procedures that will be used to immediately notify the Campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or employees occurring on the Campus, as required by the Clery Act.

Any member of the Campus community with information believed to constitute a significant emergency or a dangerous situation that poses an imminent or immediate threat shall report the information to University Police Department (UPD) and/or by calling "911." Examples include, but are not limited to, the following types of incidents:

- Severe weather warning (e.g., flash flooding, tsunami, hurricane, etc.)
- Environmental emergency within an on-campus facility (e.g., hazardous chemical spill, fire, earthquake, building collapse)
- Criminal activity with an imminent threat to Campus community (e.g., active shooter, murder, fleeing suspect with a weapon)
- Public Health Emergency (e.g., measles outbreak, swine flu outbreak, etc.)

Once UPD has received the report, the Chief of Police (or management designee) will, without delay and taking into account the safety of the community, confer with any appropriate public official (e.g., fire chief, health department) and any Campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) a legitimate emergency or dangerous situation exists impacting on-Campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community. This confirmation process may include, but is not limited to, visual observation, officer investigation, the assistance of key Campus administrators, local or Campus first responders, and/or official government reporting through agencies such as the National Weather Service.

If both of the above factors are not met, no emergency notification is required. If it is determined that both of the above factors are met, then an emergency notification as described below shall be issued. The Chief of Police (or management designee) will confer with the Clery Director, if available, to prepare the content of the notification and determine which members of the Campus community are threatened and need to be notified. The content of the message will be developed based on a careful but swift analysis of the most critical facts.

Once the notification is prepared, the Chief of Police and/or the Clery Director (or their management designees) will, without delay and taking into account the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency, including the ability to provide immediate, life saving measures. If an emergency notification is issued, a timely warning is not required for the same incident.

Contents of the Emergency Notification.

The emergency notification shall contain the following information:

- A statement as to what the emergency or dangerous situation is, in specific terms (e.g., chemical spill, active shooter, building fire)
- A statement providing direction as to what actions the receiver of the message should take to ensure their own safety
- A statement as to where or when additional information may be obtained

The Chief of Police and/or Clery Director (or management designees) will provide updates to the emergency notification with pertinent updates or direction to persons for their safety when new information becomes available. Updates will be provided in regular intervals until the emergency has been mitigated or no longer poses an imminent threat, *e.g.*, fire is out and building has re-opened.

Methods of Distribution.

Emergency Notifications will be distributed as quickly as possible in a manner that will likely reach the segment(s) of the on-campus community threatened by the emergency. Segmentation will be considered by the Chief of Police (or management designee) by evaluating which persons are likely to be at risk based on the circumstances at the time and notifying those persons. Segmentation should not be considered if making this determination would delay issuing the emergency notification. The Chief will determine if notification to the larger community is appropriate. Distribution methods, including distribution to the larger community, vary from Campus to Campus and depending on the nature of the emergency, may include:

- A Campus mass notification system, including but not limited to phone, Campus email, or text messaging. Systems should provide currently enrolled students, faculty and staff the ability to adjust their subscription preferences to select multiple contact methods from text messages, emails and phone calls, or if desired, to 'opt out' of the service and not receive any notifications
- Audio/visual message boards
- Audible alarms/sirens
- Campus public address systems⁷
- In person or door-to-door notifications in a building or residence halls
- Local media
- Social media
- Other means appropriate under the circumstances, which campuses may disclose in their ASRs as applicable

⁷ SF State does not have a public address system

Testing and Evacuation System.

Testing of the Emergency Notification System and evacuation will be done at least once annually. The Tests may be announced or unannounced. Tests must be scheduled, contain drills, exercises and appropriate follow-through activities, and be designed for assessment and evaluations of emergency plans and capabilities. However, the campus emergency response and evacuation procedures will be publicized in conjunction with at least one test per calendar year. Each Test will be documented to include a description of the exercise, the date of the Test, the start and end times of the Test, and whether the Test was announced or unannounced. The [California State University Emergency Management](#) policy describes these Tests and defines responsibility for their completion. A copy of the documentation will be provided to the Clery Director.

Students and employees who need information on how to add contact information to be included for emergency notification or to remove information and “opt out” of notifications should visit <https://oes.sfsu.edu/emergency-notification-system>. To make changes to your notification preferences, changes can be made by logging into your SFSU Gateway at <https://gateway.sfsu.edu/>.

Security of and Access to Campus Facilities, and Security Considerations for the Maintenance of Campus Facilities

Monday through Friday Access:

All buildings except the Library will be secured by Public Safety at 11:00pm weekdays and 5:30pm weekends. Public Safety personnel will check and lock all doors and windows at those times. They will also escort all unauthorized people from the buildings.

Weekend and Holiday Access:

After hours, a faculty or staff I.D. or specialized student pass, together with photo I.D., will be required to remain in the buildings. Student passes will be authorized by College deans. Public Safety will assist the deans with development of the passes. Each College dean will develop and implement a system for authorized building access after 5:30 p.m. weekends.

Holiday access scheduling will be treated as weekend access.

Special Events:

When buildings are opened for classes or special events during weekend closure periods, deans and directors will notify Public Safety in advance.

Additional Measures:

Only Card Reader access doors will be open on weekends. Master and exit keys may be recalled and reissued at the discretion of the College dean. All doors will have prop alarms. Faculty and staff are encouraged to shut and lock windows at the end of the workday.⁸

The campus facilities are maintained by Facilities Services and patrolled by the Officers of the University Police Department. The Police Officers and Community Service Officers regularly test the emergency phones and submit work orders for repair, recommend the trimming of shrubbery for safety reasons and conduct periodic lighting surveys. Officers report the need for replacement

⁸ From University Executive Order #94-17: San Francisco University Policy on Closure of Campus Buildings. This can be accessed here: <https://qaservices.sfsu.edu/sites/default/files/documents/UED%2094-17.pdf>

of lights and any other physical hazards they notice. Periodic crime prevention surveys are conducted when a crime trend occurs or upon physical changes of office space and equipment when requested by an administrator. The majority of campus buildings are equipped with card key access that is controlled by an access administrator. Many offices, labs, computer rooms and areas of campus have security alarms. You may use this link for more information on Facilities Services Enterprises: <http://facilities.sfsu.edu>.

Lighting improvements are constantly being evaluated. Improvements have included the placement of high intensity sodium vapor lights in buildings, in parking lot areas, in areas with heavy landscaping and trees, and along pathways frequently traveled by students. Outdoor courtesy telephones are located at the entrances of all University Housing facilities and at many locations throughout the campus. All emergency telephones are connected directly to the University Police Department.

Access to University Housing facilities is limited to residents, escorted guests and University staff. Entry is monitored on 24-hour basis through a combination of card-key security systems, hard keys, door prop alarms and on-duty Residential Life personnel.

Residential Life staffs professional Area Coordinator and Residential Coordinators along with Student Leaders, who support on-campus housing, live on campus and provide 24-hour crisis coverage. Student room doors should be locked at all times even when occupied. Residents with automobiles may park them in a reserved carport space after purchasing a semester permit. Most importantly, residents are reminded to observe building security procedures and to notify Residential Life team members or the University Police Department of any unfamiliar faces or unusual incidents within either the residence halls or apartments.

The residence community has a team of student Resident Assistants and professional Area and Residential Coordinators who reside in the community with students. Resident Assistants or other Student Leaders are available to provide help in anything from roommate conflicts to directions on how to get to the nearest supermarket. Residential Life offers a wide variety of social, educational, and academic support programs.

All Residential Life team members in the residence community are designated 'campus security authorities' and undergo training throughout the year for both prevention and response regarding safety/security issues along with substance abuse, education and prevention of sexual assault, and general community security.

Central Campus Neighborhood

San Francisco State offers two traditional residence halls and has two multi-story complexes, which provide on-campus housing for approximately 2,440 students. All buildings are owned and managed by San Francisco State. Security safeguards within the residence community include restricted access, video surveillance and external door prop alarm systems. Crime prevention programs include orientation workshops, individual floor meetings, residential community-wide presentations and educational programs. All of the central campus residential buildings (Mary Ward Hall, Mary Park Hall, the Village at Centennial Square, Towers at Centennial Square, and the Towers Junior Suites) have 24-hour community desk staffing as extra safety coverage.

Residents with automobiles may park them in Lot 25, the Village Garage after purchasing a semester or daily permit.

All buildings contain exterior doors that are monitored with door-prop alarms, key and card access. There are two to three Resident Assistants on duty each evening Sunday through Thursday night and 24 hours starting Friday at 5pm to Monday mornings. Residential Life team members provide evening rounds and enforce University and Housing policy. There are professional staff members on duty each night and one Leadership-level professional staff member on duty each night.

Mary Ward and Mary Park Halls

The Residence Halls house approximately 840 first-time, first-year students. Most rooms are double occupancy and when requested, ADA accessible single rooms are available. The rooms are furnished with a bed, closet space, desk, chair and drawers for each resident. Each room has a streaming service, power outlets and 10baseT Ethernet jacks. Residents are allowed to bring or rent a small refrigerator and/or microwave to use in their rooms.

Towers at Centennial Square & Towers, Junior Suites

The Towers at Centennial Square, also known as “the Towers” is a 15-story apartment building which houses approximately 750 first-time first-year students. The apartments are fully furnished, one- or two- bedroom, double occupancy, units with a kitchenette, living room and bathroom. Towers Junior Suites is a 5-story suite-style (shared room with private bathroom) housing approximately 100 first-time first-year students. Each bedroom has streaming service, power outlets and 10baseT Ethernet jacks for both residents. There is electronic card access to the exterior doors and 24-hour front desk employees.

The Village at Centennial Square

The Village at Centennial Square, also known as the Village, houses 750 mostly first-time first-year students with some continuing first-year and second-year students at San Francisco State. The Village offers single and double occupancy rooms in its three-bedroom apartments and double occupancy rooms in the two-bedroom apartments. Spaces are filled on a first come, first served basis. Residents are first- and second-year students and must be enrolled at San Francisco State, carrying a minimum of 12 semester units. Administrative Agreement Between San Francisco State University Police, San Francisco Police Department, San Francisco District Attorney's Office and San Francisco Department of Public Health

The University Police Department works closely with the San Francisco Police Department (SFPD), the San Francisco District Attorney's Office (SFDA), the San Francisco Department of Public Health (SFDPH), agencies near our branch sites, and other law enforcement agencies to assist with incidents involving campus community members that may occur off campus.

The University Police Department, SFPD, SFDA, and SFDPH have mutual aid and working agreements. Each department augments the other within their jurisdictions during mutual investigations, arrests, and prosecutions. The University Police Department is responsible for processing, investigating, and prosecuting all crimes committed on San Francisco State property and grounds owned, operated, controlled, or administered by the California State University except the following: homicide, and those death cases deemed suspicious by the Medical Examiner of San Francisco.

The Memorandum of Understanding (MOU) between the University Police Department, SFPD, SFDA, and the SFDPH promotes collaboration, and enhances the reporting, investigation and appropriate response to sexual assault and other Clery Act crimes. The primary purpose of the MOU is to promote compliance with the numerous state and federal laws that provide specific requirements related to these issues, as outlined in California Education Code Sections 67380, 67381 (the Kristin Smart Campus Safety Act of 1998) and 67383; SB 967 (de León, 2014), specified in California Education Code Section 67386; the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the "Clery Act") and Title IX of the Higher Education Amendments of 1972 ("Title IX"), as well as the California Penal Code and applicable state laws related to health and confidentiality/privacy. By this agreement, the UPD may call upon the San Francisco Police Department to assist in the handling of major crimes, including but not limited to Part 1 violent crimes as defined in California Education Code Section 67381.

Additionally, the purpose of the MOU is to meet the statutory requirements established by AB 1433 (Gato, 2014), specified in the California Education Code (§ 67383(a) and § 67381), requiring covered institutions to adopt and implement written policies and procedures to ensure that reports of Part 1 violent crimes, hate crimes or sexual assaults are immediately, or as soon as practicably possible, disclosed to local law enforcement.

Security Awareness and Crime Prevention Programs

The University Police Department is committed to contributing to the safety and welfare of the campus community. The University Police Department supports this commitment through programs designed to anticipate, recognize, and appraise crime risks, and that initiate action to reduce those risks. These programs attempt to promote awareness, community involvement, and support of activities that address community perceptions and misperceptions of crime.

Crime Prevention Programs

The department's crime prevention function is a shared responsibility of all employees, but specific duties are assigned to the Commanding Officer of the University Police Department

Services Division who manages the Crime Prevention Unit, Community Liaison Unit, and the Investigations Unit personnel.

The department's Crime Prevention Unit provides for the following:

- a. Targeting crime prevention programs based on the type of crimes that are occurring and location of those crimes as the result of an analysis of crime data by Department Investigators or other department employees; and
- b. Targeting crime prevention programs to address community perceptions or misperceptions of crime.

The Commanding Officer of the Services Division or their designee will prepare a comprehensive written evaluation of the agency's crime prevention programs, at least once every four years to assess effectiveness and solicit community feedback. Crime Prevention Unit activities shall include safety presentations to:

1. University departments and office areas;
2. Campus Housing;
3. Fraternities and Sororities;
4. Campus clubs and organizations;
5. Other interested groups; and
6. New student and employee orientations.

Community education presentations will include the following trainings on request: sexual assault and acquaintance rape prevention; alcohol and drug abuse; bicycle safety; general campus safety and security; workplace violence; home, campus housing and office security; personal safety; and theft prevention. Community education presentations offered on an annual basis include: self-defense training. Community education presentations offered on a bi-annual basis (and upon request) include: Home, campus housing and office security; and personal safety. The Crime Prevention unit will maintain a Community Engagement log in the Investigations Unit Office to document all programs presented to the campus community.

Additionally, members of the University Police Department are available to provide presentations to staff, faculty and students upon request on topics such as: Personal Safety, Sexual Assault Prevention, Prevention of Auto Theft and Auto Burglary, Dealing with Distressed Individuals, Emergency Preparedness, Safety Presentations for Children and Parents, Laptop Safety, Fraud Prevention, Public Transportation Safety, Senior Citizen Safety and many other topics related to protecting personal and state property. In addition to crime prevention information, information regarding disciplinary procedures in relation to criminal activity is also covered and provided to community members.

In the beginning of the Fall and Spring semesters of the academic year, the Crime Prevention Unit will collaborate with our campus partners in the Division of Student Life to provide training and resource tables for GatorFest events. The Crime Prevention Unit will provide trainings and resource table information that cover a variety of topics including personal safety and awareness, protection of personal property, and active threat response training.

We do encourage participation in our crime prevention programs and ask for your assistance in keeping our community safe. If you would like to schedule a Crime Prevention Presentation, please

call our Crime Prevention Coordinator at 415-338-2226. For more information on our Crime Prevention, please visit the UPD website at: <https://upd.sfsu.edu/crime-prevention>.

When time is of the essence, information is released to the university community through security alerts/information bulletins distributed via Blackboard Connect outreach messaging or posted on university websites. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. If you see something suspicious or out-of-the-ordinary, say something by contacting the police.

Community Liaison Unit (CLU)

The Community Liaison Unit (CLU) was created to help foster a stronger working relationship between the University Police Department and the SFSU community it serves. The Community Liaison Unit works with multiple campus organizations, community organizations, advocacy groups, and individual students through education, involvement, and policing initiatives. As a result of these working partnerships, the Community Liaison Unit is able to develop pro-active crime prevention projects by analyzing crime hazards in our community and coming up with strategies to help mitigate them. The unit also provides members of the University community with a variety of services, including safety presentations and community e-initiatives. For more information on the Community Liaison Unit please visit our website at <https://upd.sfsu.edu/community-liaison-unit>.

Emergency Campus Phones

Emergency phones are spread throughout the campus including every level of the main parking garage. Emergency phones are clearly marked and when activated connect directly to the University Police Dispatch Center. For more information on emergency phones, visit <https://upd.sfsu.edu/campus-emergency-phones>.

Emergency Phones are labeled on the SFSU Campus map with a . The online version of the campus map is broken into four sections. Click on any one of those sections to zoom in and view where the emergency phones are located. To view the online map, please see the San Francisco State Map Page at <https://maps.sfsu.edu>.

Internet Sale Safety Zone

The University Police Department launched the "Internet Sale Safety Zone" in July 2017 as a key safety awareness component of the Crime Prevention Community Liaison Unit programs. The University Police Department has designated parking spots in front of the current San Francisco State Police station as "Internet Purchase Exchange Locations" that will allow students, staff and faculty to safely conduct and complete internet sale transactions they have made online in familiar surroundings. The spaces provided are monitored by video surveillance 24-hours-a-day and police personnel are nearby to deter crimes that can occur during these types of transactions and ensure everyone's safety.

Lost and Found

The University Police Department is the central repository of found property. The Lost and Found office can be reached at 415-405-3881 and the link to the website is <https://upd.sfsu.edu/lost-and-found>.

Orientation: New Student & Family Programs

Orientation is an important aspect in helping new San Francisco State students prepare for college success. The Office of New Student & Family Programs will offer guidance and resources that can help students get started at San Francisco State. Orientation is a collaborative effort consisting of academic counselors, student leaders, and many student services staff members and partner departments.

The University Police Department is involved in the orientation of new students and their parents and families. Orientation programs stress safety measures and general crime prevention strategies. Additionally, police personnel are often invited to speak in courses to provide an overview of the University Police Department, the services provided, current crime issues, and crime prevention strategies. In addition to learning about law enforcement and community service, students will have the opportunity to explore new career opportunities and develop relationships that will last well beyond the course.

The University Police Department offers a Citizen's Academy session each semester. For additional information on the Citizen's Academy, please visit our website at <https://upd.sfsu.edu/citizens-academy>.

¹⁰ SF State did not offer R.A.D. training from 2021-2023 due to staff capacity.

Monitoring and Recording Crime Activity at Noncampus Locations of Student Organizations

When a San Francisco State student is involved in an off-campus offense, police officers may assist with the investigation in cooperation with local, State, or federal law enforcement. Many San Francisco State students live in the neighborhoods of San Francisco. While local police have primary jurisdiction in all areas off-campus, UPD Officers can and do respond to student-related incidents that occur in close proximity to campus on a case-by-case basis. UPD Dispatch monitors SFPD calls for service at neighboring locations – including Noncampus locations (SF Hillel House) - and will respond accordingly. Any student who has been arrested for or found guilty of committing a crime off-campus is subject to campus disciplinary adjudication for violation of Title V of the Student Code of Conduct. The Student Code of Conduct can be found at <https://conduct.sfsu.edu/standards>.

Student organizations may also use off-campus buildings or property on either a frequent or repeated use basis. Additionally, UPD may request the records for any criminal activity that may have occurred at those locations from local law enforcement agencies. UPD will coordinate with the Student Activities & Events office to assess for non-campus property of student organizations.

Possession, Use, Sale and Enforcement of Federal and State Alcohol and Drug laws

San Francisco State University Executive Directive UED #89-12 (Alcohol and Drug Policy) was established in 2003 in the interest of providing the campus with guidance on alcohol and drug use. Through this policy, the University seeks to provide regulations for the serving of alcoholic beverages at University functions on- and off-campus. It also addresses campus regulations related to illegal drug use on campus.

This policy has been reviewed and revised by the Alcohol Responsibility Task Force and further reviewed and revised by Health Promotion & Wellness staff in 2018 and 2021 per the Drug Free Schools and Communities Act, which requires all alcohol and drug related programs and policies be reviewed biannually. The Drug Free Schools & Communities Act Biennial Review Report 2023 - 2026 (published October 2023) can be found online here:

<https://wellness.sfsu.edu/sites/default/files/documents/Drug-Free%20Schools%20Biennial%20Review%202023%20%281%29.pdf>

Relevant Current California Laws – Alcohol

According to California law, any person who sells, furnishes, gives, or causes to be sold, furnished, or given away, any alcoholic beverage to any person under the age of twenty-one (21) years is guilty of a misdemeanor (California Business and Professions Code, 25658).

Any person who sells, furnishes, gives, or causes to be sold, furnished, or given away, any alcoholic beverage to any habitual or obviously intoxicated person is guilty of a misdemeanor (California Business and Professions Code, 25602).

SF State also upholds California Assembly Bill No. 1999, Chapter 245, granting limited immunity from criminal prosecution for any person under the age of twenty-one (21) years who calls “9-1-1” or the University Police Department (at (415) 338-2222) and:

- Reports that they or another person needed medical assistance due to alcohol consumption;
- Was the first person to make the 911 report;
- Remained on scene with the other person until medical assistance arrived; and

- Cooperated with medical assistance and law enforcement personnel on scene.

This only applies in situations of alcohol consumption.

Illegal Drugs

The sale, manufacture, distribution, use, or possession of illegal drugs is against University policy. This policy applies equally to all administrators, faculty, staff, and students.

Possession of a valid medical marijuana card does not permit possession or use of marijuana in campus residential facilities (e.g. apartments and residence halls) or on University property. The Safe and Drug-Free Schools and Communities Act does not permit possession or use of marijuana on campus.

University Administrative Sanctions for Violation of the Illegal Drug Policy

The manufacture, use, or possession of illegal drugs by a member of the University community will normally result in either probation, suspension from, or severance of the relationship with the University. Sale or distribution thereof will normally result in severance of the relationship with the University. This policy applies within or upon the grounds, buildings, or any other facilities of the University, or at University sponsored activities off-campus. Penalties for possession off-campus at a non-sponsored activity will be considered if the amount of possession is considered sufficient for intent to sell. In addition to the above University administrative sanctions, all California Penal Statutory Laws will be enforced and must be complied with, or sanctions listed under the California Penal Code may also apply.

Compliance with the Drug-Free Schools and Communities Act (DFSCA)

In order to comply with the Drug-Free Schools and Communities Act, SF State will provide annual notice of this executive directive by email to all students, faculty, and employees in the fall semester of each academic year. Additionally, notification of this campus policy will be provided to students in the Campus Bulletin and to all new employees and faculty in new employee orientation.¹¹

As an academic community, San Francisco State is committed to providing an environment in which everyone can learn and grow. Drug and alcohol use and misuse can seriously affect members of the campus community. The University expects every student, faculty member, staff member, and administrator to be aware of and comply with all local, state, and federal laws regarding the unlawful possession, distribution, or use of illegal drugs and alcohol.

The University has a zero-tolerance policy regarding the use and sale of illegal drugs on the university campus or at any university-sponsored event off campus. The possession, transportation and/or consumption of alcohol by individuals under 21 years of age is strictly prohibited. Alcoholic beverages may not be consumed in public areas and must be concealed and not in plain view when transported in the residence community. Residents in the residence community under the age of 21 years of age are not permitted to host guests or residents of any age who are in possession of alcohol in their room/apartment.

The University also enforces state laws regarding driving while under the influence of alcohol. A Police Officer can confiscate the license of any driver suspected to be driving under the influence who refuses to take a blood alcohol concentration (BAC) test. Anyone under 21 found in

This may also include removal from University Housing. In addition to the above University administrative sanctions, all applicable state or federal statutes will be enforced for underage drinking.

Employees in violation of the University alcohol and drug policies may be subject to corrective action, dismissal, requirement to participate fully in an approved counseling or rehabilitation program, or other applicable legal sanctions under local, state and federal laws.

All members of the campus community may be subject to criminal prosecution for violation of applicable local, state, or federal laws.

Health Risks Associated With Alcohol Abuse or Illicit Drug Use

Substance use is linked to serious negative health effects including chronic diseases, increased risk of injury, and in some cases overdose. When taken in large quantities, alcohol can negatively affect many parts of the body including the brain, heart, liver, pancreas, and immune system. Mixing alcohol and prescription or illicit drugs can also have serious negative effects including the increased risk of heart attack and overdose.

Substance misuse and addiction is a social justice issue that heavily impacts the personal, professional, and academic endeavors of students and our entire campus community. As an institution of higher education, we are committed to supporting those who need support through the various resources highlighted below.

Sexual Violence Prevention

The California State University (CSU) promotes a safe living, learning, and working environment through systemwide policies and through a variety of campus educational programs provided to students, faculty, and staff. The CSU prohibits dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, and provides programs to prevent, educate, and promote awareness of these topics, in accordance with the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“Nondiscrimination Policy”). These prohibited behaviors are also crimes as defined by 34 C.F.R. §668.46, and California criminal definitions.

The CSU provides comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to stop dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking before they occur through the promotion of behaviors that foster healthy relationships and communication, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

The CSU’s prevention programs and initiatives are sustained over time and focus on increasing awareness and understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, using a range of strategies with audiences throughout the CSU community. This includes both community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, reduce perpetration, promote safety and a culture of respect.

Campus programs must include primary prevention and awareness training: (1) for all new Students¹²; and new Employees; (2) refresher programs at least annually for all Students; (3) twice a year for all Students who serve as advisors in residence halls; (4) annually for all Student members of fraternities and sororities; (5) annually for all Student athletes and coaches; and (6) annually for all Employees consistent with their role in responding to and reporting incidents. Ongoing prevention and awareness campaigns for all Students and Employees will also be conducted. The CSU system will provide online training for all Employees and each campus will

¹² This includes incoming transfer, graduate, online, and extended education Students. The programs should occur no later than the first few weeks of the semester.

provide online training for all Students. All training must be consistent with the applicable CSU policy and state and federal regulations.

Each campus must assess which student organizations participate in activities that may place Students at risk and ensure that they receive annual supplemental training focused on situations the group's members may encounter.

To ensure that all Students receive the necessary information and training enumerated above on dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, campuses should impose consequences such as registration holds on those Students who do not participate in and complete such mandatory training.

Training for Employees

Training will be mandatory for all employees within six months of their initial hiring, and on an annual basis thereafter. Such training will include, but not be limited to: what constitutes discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking under applicable law; the rights and responsibilities of each Employee relating to discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking including the duty to report and exceptions; the protection against retaliation for Employees who report discrimination, harassment, retaliation, sexual misconduct, dating and domestic violence, sexual exploitation and stalking; the procedures provided under the CSU Nondiscrimination Policy for filing, investigating and resolving a complaint; and the option and method for filing complaints with external government agencies such as the Department of Fair Employment and Housing (DFEH) and the Equal Employment Opportunity Commission (EEOC).

Under Cal. Govt. Code § 12950.1, each campus shall provide supervisory Employees at least two hours of interactive sexual harassment training within six months of the Employee's assignment to a supervisory position and every two years thereafter. Each campus shall maintain documentation of the delivery and completion of these trainings. For detailed guidance regarding the definition of "supervisor" and the implementation of this training, campuses shall consult Coded Memoranda HR 2005-35 and other applicable policies.

Prevention and Awareness Programming

California State University campuses provide primary prevention programs to all incoming students and new employees. California State University campuses provide ongoing prevention programs to all students and employees during their time at the institution. Information About Campus Reporting, Adjudication, and Discipline Procedures

Campus training programs will reference the procedures outlined in the CSU Nondiscrimination Policy that victims/survivors may follow if an incident of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking has occurred. Training programs will also reference information about preserving evidence, reporting to the appropriate authorities, confidentiality options, available protective and supportive measures.

Campuses apply the relevant CSU policy and procedures when responding to all reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Campuses shall establish processes to provide a print and/or digital copy of the "Rights and Options for Victims" as outlined in the CSU Nondiscrimination Policy to any community member who reports experiencing such harm, regardless of whether the incident occurred on or off campus.

Campus training programs regarding the procedures for reporting and addressing reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking will include the following:

- A statement explaining that the campus' primary concern is the safety of members of the campus community; that the use of alcohol or drugs never makes the victim/survivor at fault for sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; that Students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking should not be deterred from reporting incidents out of a concern that they might be disciplined for related violations of drug, alcohol, or other CSU policies; and that Students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking shall not be subject to discipline for related violations of conduct policies at or near the time of the misconduct unless the violation is egregious (including actions that place the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.)
- A statement that "CSU policy prohibits retaliation against a person who: reports sex discrimination, sexual harassment, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; assists someone with a report of such conduct; or participates in any manner in a related investigation or resolution.
 - Retaliation means that a substantial motivating reason for an Adverse Action taken against a person was because the person has or is believed to have:
 - Exercised their rights under this policy,

- Reported or opposed conduct which was reasonably and in good faith believed to be in violation of this policy,
- Assisted or participated in an investigation/proceeding under this policy, regardless of whether the Complaint was substantiated,
- Assisted someone in reporting or opposing a violation of this policy or assisted someone in reporting or opposing Retaliation under this policy.
- Adverse Action means an action engaged in by the Respondent that has a substantial and material adverse effect on the Complainant's ability to participate in a university program, activity, or employment. Minor or trivial actions or conduct not reasonably likely to do more than anger or upset a Complainant does not constitute an Adverse Action.
- Retaliation may occur whether or not there is a power or authority differential between the individuals involved.
- What someone should do if they have experienced or witnessed sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
- Individuals to whom incidents may be reported along with information regarding what degree of confidentiality may be maintained by those individuals.
- The availability of, and contact information for, campus and community resources for victims/survivors of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
- A description of campus and systemwide policies and disciplinary procedures available for addressing alleged violations and the consequences of violating these policies, including the fact that such proceedings shall:
 - Provide a prompt, fair, and impartial investigation and resolution; and,
 - Be conducted by officials who receive annual training on issues related to sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking and how to conduct an investigation and hearing process that protects the safety of victims/survivors and promotes accountability.
- The fact that the Complainant and the Respondent will be afforded the same opportunities to have others present during a disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the Advisor of their choice.
- The fact that both the Complainant and the Respondent shall be simultaneously informed in writing of:
 - The outcome of any disciplinary proceedings that arises from an allegation of a sex discrimination, sexual harassment, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
 - The CSU's procedures for the Complainant or Respondent to appeal the results of the disciplinary proceeding.
 - Any change to the disciplinary results that occurs prior to the time such results become final.
 - When disciplinary results become final.
- Possible sanctions or remedies the campus may impose following the final determination of a campus disciplinary procedure regarding sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.

- How the campus will protect the confidentiality of Complainants, including how publicly available recordkeeping (e.g., campus Clery reports) will be accomplished without the inclusion of identifying information about the Complainant to the extent permissible by law.
- That all students and employees must receive written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims/survivors, both on campus and in the community.¹³
- That all students and employees who report being a victim/survivor of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking must receive written notification of available assistance in, and how to request changing academic, living, transportation, and working situations, if requested and if such accommodations are reasonably available, regardless of whether the victim/survivor chooses to report the incident to campus police or local law enforcement.
- Procedures victims/survivors are recommended to follow if sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking has occurred, as well as the fact that the following written information must be provided to victims:
 - The importance of preserving evidence following an incident of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking, which may also be used to obtain a temporary restraining or other protective order.
 - The name and contact information of the campus Employee(s) to whom the alleged incident should be reported.
 - Reporting to law enforcement and campus authorities, including the option to: (a) notify law enforcement authorities, including on-campus and local police; (b) be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; and, (c) decline to notify such authorities.
 - Where applicable, the rights of victims/survivors and the campus' responsibilities regarding orders of protection, no contact directives, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.

Risk Reduction

The CSU provides community members with information and strategies for risk reduction designed to decrease perpetration, promote bystander intervention and healthy relationships, empower marginalized voices, and support victims/survivors. Information and strategies for risk reduction help promote safety and help individuals and communities address conditions that facilitate violence.

Sexual Misconduct/Sexual Assault

The CSU is committed to maintaining a safe campus for all members of the CSU community. Risk reduction strategies are focused on creating a culture of respect, reducing the risk for perpetration and for victimization. It is important to emphasize that only those who engage in sexual misconduct/sexual assault, dating violence, domestic violence, sexual exploitation, and stalking

¹³ San Francisco State University complies with this requirement by providing this information to the campus community in writing each year through CSU Learn assignment.

are responsible for those actions. With this in mind, the following tips provide some possible strategies to help promote a caring community and mitigate personal risk.

- Communication is key to healthy relationships and healthy sexual interactions. Obtain Affirmative Consent from your partner for all sexual activity.
 - Affirmative Consent means an informed, affirmative, conscious, voluntary, and mutual agreement to engage in sexual activity.
 - Engaging in any sexual activity without first obtaining Affirmative Consent to the specific activity is Sexual Misconduct, whether or not the conduct violates any civil or criminal law.
 - Affirmative Consent can be withdrawn or revoked at any time.
 - Affirmative Consent to sexual activity in the past does not mean consent in future – there must be voluntary consent for all sexual activity.
 - Lack of protest, resistance, or mere silence does not equal Affirmative Consent.
 - Sexual activity between a minor (a person younger than 18 years old) and a person who is at least 18 and two years older than the minor always constitutes Sexual Misconduct, even if there is Affirmative Consent to all sexual activity.
- Do not engage in sexual activity with someone who is incapacitated.
 - A person who is incapacitated by alcohol or drugs cannot give Affirmative Consent.
 - A person who is unconscious or asleep cannot give Affirmative Consent.
 - A person’s own intoxication or incapacitation does not diminish their responsibility to obtain Affirmative Consent from any person with whom they engage in sexual activity.
- Signs that someone does not respect the importance of consent:
 - They pressure or guilt you into doing things you may not want to do.
 - They suggest you “owe” them something (including sexual acts) because you’re dating or because they have done or claim to have done something for you.
 - They react negatively with sadness, anger, or resentment if you don’t consent to something or don’t do so immediately.

Dating/Domestic Violence

Common signs of abusive behavior in a relationship

According to the National Domestic Violence Hotline, one feature shared by most abusive relationships is that an abusive partner tries to establish or gain power and control through many different methods, at different moments. Even one or two of the following behaviors is a red flag that a partner may be abusive.

- Showing extreme jealousy of friends or time spent away from a partner.
- Preventing or discouraging one’s partner from spending time with friends, family members, or peers.
- Insulting, demeaning, or shaming a partner, especially in front of other people.
- Preventing one’s partner from making their own decisions about working or attending school.

- Controlling finances in the household without discussion, including taking a partner's money or refusing to provide money for necessary expenses.
- Pressuring one's partner to have sex or perform sexual acts they are not comfortable with.
- Pressuring a partner to use drugs or alcohol.
- Threatening to harm or take away a partner's children or pets.
- Intimidating one's partner with weapons.
- Destroying a partner's belongings or home

If you notice warning signs in your relationship or that of someone you care about, remember there are support resources available on your campus, including individuals with whom you can speak confidentially and who can assist you with making a safety plan. A good starting place for a list of resources is your campus Title IX webpage. You can also contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.

- Abusive behaviors can be difficult to recognize in a relationship, even if you are the one engaging in them. In addition to some of the common signs of abusive behavior outlined above, ask yourself if your partner:
 - Seems nervous around you,
 - Seems afraid of you,
 - Flinches, cringes, or retreats when you are emotional,
 - Seems scared, or unable to contradict you or speak up around you, and/or
 - Restricts their own interactions with friends, family, coworkers, or others in order to avoid upsetting you.

If you recognize the behaviors above in yourself, or in how your partner reacts, these could be signs that you are hurting them. This can be a difficult realization to come to but it's vital that you do so if you want to change and stop harming your partner. By acknowledging that your actions are harmful and taking responsibility for them, you can continue to progress on the path toward correcting them.

You could consider contacting the psychological counseling center on your campus to speak with a counselor confidentially, or you could contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.

Stalking

Respecting boundaries

If someone tells you that they do not want you to contact them or do something like visit their home or send them gifts, or if they have stopped interacting with you, respect their choice. Everyone has the right to set boundaries.

Recognizing stalking behaviors

A person who engages in stalking may:

- Repeatedly call or send other unwanted communication such as text messages, emails, social media messages, letters, etc.
- Follow the person and seem to "show up" wherever they are.
- Send unwanted gifts.
- Damage home, car, or other property.
- Monitor phone calls or computer use.
- Drive or linger near the home, school, or work of the person they are stalking.
- Use other people to try and communicate with the person they are stalking, like children, family, or friends.

[Source: [Victim Connect Resource Center](#)]

Below are some tips from the Stalking Prevention Awareness and Resource Center (SPARC) regarding steps one can take if they are experiencing stalking:

- Trust your instincts – if you/someone feels they are in immediate danger or fear a threat of harm, call 911.
- Keep a record or log of each contact with the stalker
- Save evidence when possible, such as emails, text messages, postings on social media, etc.

Know that there are support resources available on each CSU campus, including individuals with whom individuals can speak confidentially and who can assist in making a safety plan and/or seeking a protective order. A good starting place for a list of resources is your campus Title IX webpage.

Bystander Intervention

The California State University and the campuses provide training on safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is

a risk of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Information about bystander intervention is included in a variety of prevention, outreach, and awareness programs across the CSU.

This training encourages employees and students to:

- Notice the Event
- Interpret the Event as a Problem
- Assume Personal Responsibility
- Learn How to Help
- And Step Up by utilizing the “4 Ds” – Direct, Distract, Delegate, and Delay
 - Direct – Directly addressing the situation.
 - Distract – Making a simple (or elaborate) distraction to diffuse the situation.
 - Delegate – Finding someone else to address the concern.
 - Delay – Checking in with the person after to see if you can do anything to support them.

CSU Policy Definitions

Definitions of conduct that is prohibited under CSU policy are found in Article VII of the CSU Nondiscrimination Policy. These definitions are applicable in relation to the University’s administrative processes and may differ from the criminal law definitions (California) found in Appendix A.

Supportive services and supportive measures include, but are not limited to, counseling, victim/survivor advocates, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The Title IX Coordinator, University Police Department and victim/survivor advocate on your campus can provide some of these services directly and/or provide you with information about and a referral to these and additional resources on and off campus for support.

Supportive Measures

Supportive Measures are individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or Respondent regardless of whether a Formal Complaint is filed. Supportive Measures are designed to restore or preserve equal access to CSU education programs or activities, or the workplace without unreasonably burdening the other Party, including to protect the safety of all Parties or the educational or work environment. Reporting Options

Reporting to University Administration

Complaints of discrimination, harassment, sexual misconduct and sexual assault, dating and domestic violence, sexual exploitation, and stalking may be addressed through the University administrative process¹⁴. A complainant or reporting party can report an incident to the University by contacting the Title IX Coordinator on their campus. A complainant has the right to have a support person present with them while making a complaint.

The University will protect the privacy of everyone involved in a report to the greatest degree possible under applicable law and University policy. Personally identifiable information about the involved parties will be shared only on a need-to-know basis, e.g., to those who are investigating/adjudicating the report or those involved in providing support services. By only sharing personally identifiable information with individuals on a need-to-know basis, the University will maintain as confidential any supportive measures and remedies provided to the parties, to the extent that maintaining such confidentiality would not impair the ability of the University to provide supportive measures and remedies.

The CSU does not publish the name of victims/survivors or other identifiable information regarding victims/survivors in the Daily Crime Log or in the crime statistics that are disclosed in the *Annual Security and Fire Safety Report*. Furthermore, if a Timely Warning is issued on the basis of a report of sexual assault, dating violence, domestic violence, sexual exploitation, or

¹⁴ See page 69

stalking, the name of and other personally identifiable information about the victim/survivor will be withheld.

The importance of preserving evidence

Victims/survivors are encouraged to preserve all physical evidence, including but not limited to: clothing worn during the assault, bed sheets, and/or photos of any injuries. This evidence may be helpful in proving that a crime occurred, in the event the victim/survivor chooses to report now or in the future. It may also be helpful in obtaining a court-ordered protective or restraining order. If a victim/survivor does not have any evidence preserved, they still have an option to report the crime and request a medical evidentiary examination.

Victims/survivors of sexual misconduct, sexual assault, sexual exploitation, stalking, dating violence and domestic violence are also encouraged to preserve evidence by saving text messages, instant messages, social networking pages, other communications, pictures, logs or other copies of documents that may be useful to University investigators or police should the victim/survivor decide to report now or in the future.

Reporting to law enforcement and making a criminal report

If your physical safety is at imminent risk, we encourage you to seek immediate assistance from the police.

Some forms of misconduct prohibited under the Nondiscrimination Policy may also be prohibited by law. You have a right to be informed of law enforcement options and information regarding the availability of a criminal or civil prosecution for victims of crime.

It is a victim's/survivor's choice to report a crime. You have the right to report or decline to report an incident to law enforcement. You have the right to not be forced, coerced, or pressured into reporting to law enforcement.

A victim/survivor may report an incident to law enforcement at any time. In the event of an emergency where immediate assistance is required, a victim/survivor should dial 9-1-1 to be connected with the nearest police department. If there is no emergency, victims/survivors can file a police report at any time in the jurisdiction where the assault occurred. A confidential victim advocate can assist the victim/survivor in filing the report if requested.

Victims/survivors of crimes such as sexual assault, sexual exploitation, stalking, dating violence, domestic violence, abuse, threats of abuse and/or serious harassment all have a right to petition the court in the appropriate jurisdiction for a protective order (also referred to as a restraining order).

Your Campus Advocate, University Police Department and Title IX Coordinator are all able to provide you with more information about pursuing criminal prosecution, civil prosecution and/or protective orders.

A victim/survivor of specific offenses [enumerated in California Government Code section 7923.615(b)(1)] has the right to request to be listed as a confidential victim in a law enforcement agency's report. Being listed as a confidential victim in a law enforcement agency's report prevents the law enforcement agency from disclosing the confidential victim's name and address as a matter of public record. However, the confidential victim's information can be released to the prosecutor, parole officers of the Department of Corrections and Rehabilitation, hearing officers of the parole authority, probation officers of county probation departments, or other persons or

public agencies where authorized or required by law. Please see California Penal Code section 293 for more information.

Employees of the University Police Department have a duty to report to the Title IX Coordinator / DHR Administrator any time they know or have reason to know of incidents that may violate this Nondiscrimination Policy, so that the Title IX Coordinator or DHR Administrator can carry out their duties under the law and under this Nondiscrimination Policy. At a minimum, the information to be reported includes all the information authorized to be disclosed under the law in response to records requests, but without requiring a formal request¹⁵. Such information includes but is not limited to the time, substance, and location of all complaints or requests for assistance received by University Police and the time and nature of the response thereto, including, to the extent the information regarding crimes alleged or committed or any other incident investigated is recorded, the time, date, and location of occurrence, the time and date of the report, the name and age of the victim, the factual circumstances surrounding the crime or incident, the identity of the alleged perpetrator, and a general description of any injuries, property, or weapons involved¹⁶.

For certain sex offenses ¹⁷the victim has the right to affirmatively request from University Police, after being informed of their options, that the victim's identity remain confidential¹⁸. However, even if the victim requests confidentiality of identity, the University Police should specifically ask the victim if the victim's name can be provided to the Title IX Office so that the Title IX Coordinator can contact the victim to discuss supportive measures that can be offered. And in all cases, even when the victim requests confidentiality, the identity of the alleged perpetrator (if known) must be reported to the Title IX Coordinator.

Protective Orders

Civil reporting options & protective orders

A victim/survivor may choose to file a civil lawsuit against the alleged offender, whether or not criminal charges have been filed. A civil lawsuit provides an opportunity to recover actual money damages, which may include compensation for medical expenses, lost wages, pain, suffering and emotional distress. An Advocate can assist a victim/survivor with identifying the necessary steps and processes for filing a lawsuit if requested.

Court-Ordered Restraining Orders

A victim/survivor may choose to obtain a restraining order (such as a domestic violence restraining order or a civil harassment restraining order). Restraining orders must be obtained from a court in the jurisdiction where the incident occurred. Restraining orders can help protect a

victim/survivor who has experienced or is reasonably in fear of physical violence, sexual violence, domestic violence, dating violence and stalking.

Emergency Protective Order (EPO)

An Emergency Protective Order (EPO) is a type of restraining order that only law enforcement can ask for by calling a judge. Typically, this is done by an officer responding to the scene of a domestic violence incident. Judges are available to issue EPOs 24 hours a day. The EPO takes effect immediately and can last up to seven calendar days. The judge can order the alleged abuser to leave the domicile and stay away from the victim and their children for up to a week. This provides the victim with time to go to court to request a temporary restraining order.

Temporary Domestic Violence Restraining Order (TRO)

A TRO is a type of protective order. In order to obtain one, the victim/survivor must fill out paperwork explaining the facts and why a protective order is needed. If a judge agrees that protection is needed, the judge will issue a temporary restraining order. Temporary restraining orders usually last until the court hearing date, typically 20 to 25 days after the petition is filed.

Criminal Protective Order (CPO)

When there is a claim that a domestic violence incident occurred, a criminal charge (or charges) may be filed by a prosecutor (such as the City Attorney or District Attorney) against the person who allegedly committed the criminal act. The prosecutor commonly asks a judge to issue a Criminal Protective Order while the criminal case proceeds. A CPO typically requires the defendant (the person who allegedly committed the criminal act) to stay away from and not to hurt, threaten, or communicate with the victim/accuser. If the defendant is convicted of or pleads guilty to the criminal charge(s), the CPO may last for up to ten years after the case is over.

Civil Harassment Restraining Order

This type of court order is available to individuals who have been harassed by any of the following: a neighbor, roommate (as long as no dating/romantic relationship existed or exists), friend, family member more than two degrees removed (e.g., an aunt/uncle, niece/nephew, cousin, or more distant relative), stranger, or another person not closely related to the victim of the harassment.

An individual who has been civilly harassed by a current or former spouse/partner, or someone with whom a dating/romantic relationship existed, or a close relative (parent, child, brother, sister, grandmother, grandfather, in-law) may qualify for a domestic violence restraining order but would not qualify for a civil harassment restraining order.

The CSU, Restraining Orders and Protective Orders

The CSU complies with California law in recognizing restraining orders and protective orders. If you obtain a restraining order a copy should be provided to your campus Police Department. In order to comply with the restraining order, Title IX Coordinators, DHR Administrators, Advocates and/or the University Police Department on your campus may assist with setting up escorts, establishing special parking arrangements, changing classroom or employment locations, or additional measures as needed. Victim/Survivor Advocates on your campus can offer assistance with obtaining a restraining order.

Disciplinary Procedures

Disciplinary procedures for sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking will provide a prompt, fair, and impartial process and resolution,

outlined in the following excerpts from the [CSU Nondiscrimination Policy](#). As required by law, the excerpts in this Annual Security Report capture the steps, decisionmakers, and anticipated timelines for both formal and informal resolution processes, as applicable. For details beyond the steps, decisionmakers, and anticipated timelines, please see the policy.

The campus Title IX Coordinator is the designated administrator to receive reports of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation.

Anna Titus is the AVP for Title IX/DHR for San Francisco State. She can be reached at equityprograms@sfsu.edu. To report misconduct, please use this link: [Title IX/DHR Incident Reporting Form \(maxient.com\)](#). URL: https://cm.maxient.com/reportingform.php?SFStateUniv&layout_id=3

Complaints alleging violations of this Nondiscrimination Policy against a President, Title IX Coordinator / DHR Administrator, the Chancellor, or member of the Board of Trustees will be made to the Office of Civil Rights Programming & Services at CO-Complaints@calstate.edu. Any person may report an alleged violation of the Nondiscrimination Policy.

Reports may be made at any time, and individuals are encouraged to report an alleged violation of the Nondiscrimination Policy regardless of how much time has passed. The University's ability to interview witnesses and otherwise investigate or act, however, may be limited by various factors, including the passage of time, fading witness memories, and/or preservation of evidence. In all cases, the Title IX Coordinator/DHR Administrator is available to discuss Supportive Measures with the Complainant at any time, regardless of how much time has passed since the incident described in the report.

The University's primary concern is the safety of the campus community. Any person who reports an alleged violation of the Nondiscrimination Policy should discuss any concerns about safety with the Title IX Coordinator/DHR Administrator

The Nondiscrimination Policy prohibits Retaliation. If a Student or Employee is reluctant to report because they fear Retaliation, they should discuss their concerns with the Title IX Coordinator/DHR Administrator as soon as possible.

Any Student who participates as a Complainant or witness in a Complaint process (including investigation or hearing) relating to Sex-based Harassment that falls under these Procedures will not be disciplined for related violations of the Standards for Student Conduct at or near the time of the incident, unless the University determines that the violation was egregious. The University may, however, take other appropriate action including having an educational discussion with the Student. Egregious conduct includes, but is not limited to, action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.

Simultaneous Written Notification

Communication with the Parties regarding a Complaint, an investigation, or hearing will be sent to their designated CSU campus email address, unless the Party has specifically requested in writing to the Title IX Coordinator/DHR Administrator, Investigator, or Hearing Coordinator that communication be sent to a different email address. Communication with Parties who are neither Students nor Employees will be sent to an email address that they provide. Any communications relating to the outcome of an investigation or hearing, including any changes to the outcome or

when the outcome becomes final, will be provided in writing to the Complainant and the Respondent at the same time.

Outreach to Complainant

After receiving a report, the Title IX Coordinator/DHR Administrator will assess the report and provide outreach to the possible Complainant named in the report. This outreach will include the following:

- a. A statement that the University has received a report of conduct that may be prohibited by the Nondiscrimination Policy (e.g. Discrimination, Harassment, Sex-based Harassment, Sexual Misconduct, Sexual Harassment, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, Prohibited Consensual Relationship, or Retaliation.)
- b. A description of the role of the Title IX Coordinator/DHR Administrator.
- c. A request for the Complainant to meet with the Title IX Coordinator/DHR Administrator, or other designated employee, to discuss the Complainant's options and next steps.
- d. A statement that the Complainant can be accompanied by an Advisor of their choice during any meeting relating to the report and any subsequent Complaint process.
- e. Information regarding counseling, resources, and potential Supportive Measures.
- f. An explanation of how the University responds to reports of Nondiscrimination Policy violations and a description of potential disciplinary consequences.
- g. A summary of the investigation procedures.
- h. A statement regarding the importance of preserving evidence.
- i. A statement that the Complainant may, but is not required to, report to law enforcement any allegations that could constitute criminal behavior.
- j. A statement that retaliation for making a Complaint or participating in a Complaint process is prohibited by the Nondiscrimination Policy.

In addition to the information provided in the outreach communication, the Title IX Coordinator/DHR Administrator will provide Complainants alleging Sexual Misconduct, Sexual Exploitation Dating Violence, Domestic Violence or Stalking, with the information in Attachment D - Rights and Options for Victims of Sexual Misconduct/Sexual Assault, Sexual Exploitation, Dating And Domestic Violence, And Stalking.

Initial Assessment & Intake Meeting

The Title IX Coordinator/DHR Administrator will offer to conduct an intake meeting with any Complainant who responds to outreach communication, or otherwise makes a report of a potential Nondiscrimination Policy violation to discuss the Complainant's options, explain the available processes (including informal resolution and the formal complaint resolution process), and provide information about Supportive Measures. The Title IX Coordinator/DHR Administrator will consider the need for a follow-up meeting with the Complainant, as appropriate. Any subsequent investigation will include an interview with the Complainant conducted by the assigned investigator. The investigatory interview will be intended to build upon and clarify the information provided during intake.

All persons involved in implementing these procedures (e.g., the campus Title IX Coordinator and any Deputy Title IX Coordinator(s), Investigators, Human Resource Directors and Hearing Officers presiding over hearings) shall have relevant annual training on issues related to Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and

Stalking. Such annual training shall include the CSU complaint processes, as well as the handling, investigation, and analysis of complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. The annual training shall also address applicable confidentiality issues, especially with respect to the Title IX Coordinator's duty to weigh any victim's request for confidentiality against the duty to provide a safe and nondiscriminatory environment for all members of the campus community. For matters involving Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking, the training shall also include how to conduct an investigation and hearing process that protects the safety of the person(s) involved and promotes accountability.

The Complainant and Respondent may choose to be accompanied by one Advisor of their choice, who may be, but is not required to be, an attorney or a union representative during meetings or any stage of the Complaint process.

The University will not limit the choice or presence of the Advisor for the Complainant or Respondent in any meeting or proceeding. However, the unavailability of a specific Advisor will not unduly interfere with prompt scheduling.

A Party's Advisor may not answer questions regarding the subject matter of the investigation for the Complainant or the Respondent. However, the Advisor may observe and consult with the Complainant or Respondent.

The Parties also have the right to consult with an attorney, at their own expense, or a union representative at any stage of the process if they wish to do so.

Confidentiality Requests and Requests Not to Investigate

Confidentiality Requests

The University will maintain confidentiality of reports, Complaints, and associated processes whenever possible. When necessary, to protect the campus community and to facilitate investigations and/or Supportive Measures, certain information may be shared on a "need-to-know" basis. Therefore, the University cannot guarantee confidentiality.

Requests not to Investigate

When a Complainant requests that no investigation occur, the Title IX Coordinator/DHR Administrator will balance the request against the University's duty to provide a safe and non-discriminatory environment for all members of the campus community. In cases where the Complainant does not want to pursue an investigation, the Title IX Coordinator/DHR Administrator should inform the Complainant that the ability to take corrective action may be limited.

The Title IX Coordinator/DHR Administrator will consider, at a minimum:

- a. The Complainant's request not to proceed with initiation of a Complaint;
- b. The Complainant's reasonable safety concerns regarding initiation of a Complaint;
- c. The risk that additional acts of Discrimination, Harassment, or Retaliation would occur if a Complaint is not initiated;
- d. The severity of the alleged Discrimination, Harassment, or Retaliation including whether the conduct, if established, would require the removal of a Respondent from campus or imposition of another Disciplinary Sanction to end the Discrimination, Harassment, or Retaliation and prevent its recurrence;

- e. Whether the Respondent poses an imminent threat to the campus community, which may include violence, threats of violence, use of a weapon, physical restraints, or unwanted physical contact.
- f. The age and relationship of the Parties, including power imbalance and whether the Respondent is an Employee of the University;
- g. The scope of the alleged conduct, including information suggesting a pattern (such as multiple or prior reports of misconduct against the Respondent), ongoing conduct, or conduct alleged to have impacted multiple individuals;
- h. Whether the University is able to conduct a thorough investigation and obtain relevant evidence without the Complainant's cooperation;
- i. The availability of evidence to assist a decisionmaker (Investigator or Hearing Officer) in determining whether Discrimination, Harassment, or Retaliation occurred;
- j. Whether the University could end the alleged Discrimination, Harassment, or Retaliation and prevent its recurrence without initiating the formal complaint resolution process; and
- k. For Employee Complainants, the University will also consider its obligation to maintain a safe work environment in determining whether an investigation is necessary.
 - a. The Title IX Coordinator/DHR Administrator will document the basis for the decision to initiate or to not initiate the investigation based on this assessment criteria.

Decision to Proceed with Complaint

Based on the assessment criteria above, the Title IX Coordinator/DHR Administrator has discretion to initiate an investigation without the Complainant's participation.

- a. When the Title IX Coordinator/DHR Administrator decides to proceed with an investigation without a Complainant's participation, the Title IX Coordinator/DHR Administrator will make the Complaint on behalf of the University. The Title IX Coordinator/DHR Administrator will remain neutral in applying the Nondiscrimination Policy and these Procedures. In these cases, the Title IX Coordinator/DHR Administrator will provide the impacted party with the same notices, updates, and opportunities to participate as the Respondent throughout the investigation and, where applicable, hearing process, unless the impacted party confirms in writing that they do not want to receive these communications and do not wish to participate in the process. The impacted party may rescind this notice at any time in writing to the Title IX Coordinator/DHR Administrator.
- b. When the Title IX Coordinator/DHR Administrator initiates an investigation without the Complainant's participation, the Complainant will be informed in advance of the Title IX Coordinator/DHR Administrator disclosing the Complainant's identity and details of the Complaint or report to the Respondent, or initiating an investigation. The Title IX Coordinator/DHR Administrator will work with campus partners to take steps to arrange reasonable safety measures for the Complainant if appropriate. At the Complainant's request, the Title IX Coordinator/DHR Administrator will inform the Respondent that the Complainant asked the University not to investigate or seek discipline.

- c. A Student Complainant will not be required to participate in an investigation if they do not wish to do so.

Decision not to proceed with investigation:

If a request for confidentiality or no investigation is granted, the Title IX Coordinator/DHR Administrator will nevertheless take reasonable steps to limit the effects of the alleged Discrimination, Harassment, or Retaliation, and prevent its recurrence without initiating formal action against the Respondent or revealing the identity of the Complainant. Examples include increased temporary monitoring, supervision, or security at locations or activities where the alleged misconduct occurred; providing additional training and education materials for students and employees; or conducting climate surveys. Reasonable steps will be taken to provide for the safety of a Complainant while keeping the Complainant's identity confidential as appropriate and if possible. These steps may include changing living arrangements or course schedules, assignments, or tests. The Complainant will be notified that the steps the campus will take may be limited by the request for confidentiality.

Supportive Measures

The University will offer and coordinate Supportive Measures as appropriate for the Complainant and/or Respondent to restore or preserve that person's access to the University's education programs, activities, employment, or to provide support during the University's formal complaint resolution process or during the informal resolution process. Supportive Measures may include, but are not limited to: counseling; extensions of deadlines and other course-related adjustments; changes to employee reporting line; campus escort services; increased security and monitoring of certain areas of the campus; restrictions on contact applied to one or more Parties; leaves of absence; changes in class, work, housing, or extracurricular or any other activity, regardless of whether there is or is not a comparable alternative; and training and education programs related to Discrimination, Harassment, and Retaliation.

The Title IX Coordinator/DHR Administrator will describe and offer Supportive Measures to Complainants during the initial assessment (even if no Complaint is made or the Complaint is ultimately not investigated), and to Respondents during an initial meeting.

The Title IX Coordinator/DHR Administrator is responsible for coordinating the effective implementation of Supportive Measures if requested and reasonably available.

Review of Supportive Measures (Applies only to Reports or Complaints of Sex-based Harassment)

A Complainant or Respondent may request modification or reversal of a decision to provide, deny, modify, or terminate Supportive Measures applicable to them.

This request will be reviewed by an appropriate and impartial Employee:

- a) If the original decision about Supportive Measures was made by a person with authority delegated by the Title IX Coordinator/DHR Administrator, the review will be conducted by the Title IX Coordinator/DHR Administrator.
- b) If the original decision about Supportive Measures was made by the Title IX Coordinator/DHR Administrator, the review will be conducted by a Systemwide Director for Civil Rights.

If the reviewer determines that the decision to provide, deny, modify, or terminate the Supportive Measure was inconsistent with the Nondiscrimination Policy's requirements, expectations, or standards for Supportive Measures, they may modify or reverse the decision. In making this determination, the reviewer should consider:

- a) Do the Supportive Measures unreasonably burden a Complainant or Respondent?
- b) Are the Supportive Measures punitive?
- c) Are the Supportive Measures reasonably available and restore access to the CSU's programs, activities, or employment?
- d) Are the Supportive Measures being offered or provided during the informal resolution process or formal complaint resolution process?

A Complainant or Respondent may also seek additional modification or termination of a Supportive Measure applicable to them if circumstances change materially by contacting the Title IX Coordinator / DHR Administrator.

The University will not share information about any Supportive Measures with anyone other than the person to whom they apply, including informing one Party of Supportive Measures provided to another Party, unless necessary to provide the Supportive Measure or restore or preserve a Party's access to the CSU's education programs, activities, or employment, or when otherwise required by state or federal law.

No-Contact Directives

No-contact directives may be issued as a Supportive Measure, Remedy, or in connection with an Informal Resolution Agreement, with or without an investigation. When reasonably requested by a Complainant or otherwise needed to protect health and safety or to preserve the integrity of the investigation, the University will issue an interim no-contact directive, which may be unilateral (prohibiting the Respondent from contacting the Complainant) or mutual (prohibiting the Parties from contacting each other) while the investigation is pending.

No-contact directives that are not part of an Informal Resolution Agreement must meet the following requirements:

1. No-contact directives that limit an individual's movement on a University campus may only be issued where the conduct alleged is egregious or where an objective threat of physical harm exists.
2. A mutual no-contact directive (applicable to both Parties) may only be issued prior to an investigation outcome. Mutual no-contact directives will not be issued automatically. The Title IX Coordinator/DHR Administrator must consider, based on the circumstances of each case, whether a mutual no-contact directive is necessary or justifiable to protect the Respondent's safety or well-being, or to address concerns about interference with an investigation.
3. If there is a finding that the Nondiscrimination Policy has been violated and a mutual no-contact directive is already in effect, unless there are extenuating circumstances, the no-contact directive will promptly be converted to a unilateral no-contact directive (applicable only to the Respondent).

4. Any no-contact directive (whether mutual or unilateral) will be delivered to both Parties in writing and will be accompanied by a written explanation of the terms of the directive and the consequences for violating the no-contact directive. A no-contact directive is intended to be temporary and should be periodically assessed to confirm the continued need for, and appropriateness of, its specific terms (conditions), including whether it should be mutual (applicable to both Parties), or unilateral (only applicable to the Respondent).
5. Violations of no-contact directives will be addressed by the campus Student Conduct Administrator in the same manner as any violation of the Student Conduct Code if the Respondent is a Student, or by Human Resources or Faculty Affairs, if the Respondent is an Employee. If the alleged violation of the no-contact directive is itself a violation of the Nondiscrimination Policy, the matter will be referred to the Title IX Coordinator/DHR Administrator.

In considering the reasonableness and terms of a requested no-contact directive, the Title IX Coordinator/DHR Administrator may consider various factors, including the need expressed by the Complainant or Respondent; the ages of the Parties involved; the nature of the allegations and their continued effects on the Complainant or Respondent; whether the Parties continue to interact directly in the University's education program or activity, including through student employment, shared residence or dining facilities, class, or campus transportation; and whether steps have already been taken to mitigate the harm from the Parties' interactions, such as implementation of a civil protective order.

Criminal Complaints and Concurrent Investigations

Complainants will be informed during the intake meeting of their right to make a criminal complaint with University police or other appropriate law enforcement agencies. The Title IX Coordinator/DHR Administrator will offer to assist the Complainant and will assure them that filing a criminal complaint will not unreasonably delay the University's investigation. The University will typically not wait until the conclusion of a criminal investigation to begin its own investigation. Although it may be necessary to temporarily delay the investigation while law enforcement is gathering evidence, once notified that law enforcement has completed the fact gathering portion of their investigation, the University will promptly resume and complete its own investigation. Individuals who first report to University police will be encouraged to also make a Complaint with the Title IX Coordinator/DHR Administrator.

Interim Suspension

An interim suspension may be considered for a Student Respondent, where there is reasonable cause to believe that interim suspension of that Student is necessary to protect the personal safety of persons within the Campus community or Campus property, and to ensure the maintenance of order during an investigation. Such interim suspensions will be implemented in accordance with the procedures under the Student Conduct Process and will only remain in effect during the Complaint process until determined to be no longer necessary. In determining whether an interim suspension is necessary, the Title IX Coordinator/DHR Administrator will coordinate with the Student Conduct Administrator to ensure appropriate on-going assessment and implementation occurs.

Emergency Removal – Applies only to Reports or Complaints of Sex-based Harassment:

The University may remove a Respondent from its education programs or activities, including Student employment, on an emergency basis in the absence of a Complaint, before an investigation concludes or where no investigation or hearing is pending. Prior to the removal, an

individualized safety and risk analysis will be conducted. The removal is referred to as an "Emergency Removal," and has the effect of an Interim Suspension, as set forth in the Student Conduct Process, including that during the period of the Emergency Removal, the Student may not, without prior written permission from the University president or designee, enter any campus of the CSU. As with Interim Suspensions in the Student Conduct Process, the president or vice president designee, in consultation with the Title IX Coordinator/DHR Administrator, will determine whether there is an imminent and serious threat to the health or safety of a Complainant or any Students, Employees, or other persons arising from the allegations of Sex-based Harassment that justifies removal.

Where a determination is made that justifies Emergency Removal, the Respondent will be provided with notice and given an opportunity to challenge the decision immediately following the removal, in accordance with the procedures in the Student Conduct Process. This includes the right to a hearing within 10 Working Days of a request by the Respondent for such a hearing to determine if there is an imminent and serious threat to the health or safety of a Complainant or any Students, Employees, or other persons arising from the allegations of Sex-based Harassment that justifies removal. The hearing will be conducted under the Student Conduct Process and not these Procedures as they relate to hearings.

Administrative Leave

A campus may place a non-student Employee on Administrative Leave (sometimes referred to as Temporary Suspension) in accordance with applicable Collective Bargaining Agreements or CSU policies while the Complaint process is pending.

Transcript Notations

If a Respondent withdraws, transfers, or disenrolls from the University pending an investigation or disciplinary proceeding concerning a violation of the Nondiscrimination Policy, transcript notations may be appropriate and will be addressed under the Student Conduct Process. As appropriate to the situation, the University may place an administrative hold on registration transactions, release of records, and transcripts of a Student who has been sent written notice of a pending investigation or disciplinary matter concerning that Student, and may withhold awarding a degree otherwise earned until the completion of the investigation or disciplinary process, including the completion of all sanctions imposed.

Complaints

When the Title IX Coordinator/DHR Administrator receives a Complaint, they will determine whether to open an investigation after making a preliminary inquiry into the allegations. An investigation may not be warranted where the reported information does not allege facts with enough specificity or include conduct that would, even if true, constitute a violation of the Nondiscrimination Policy. These determinations will be documented in writing by the Title IX Coordinator/DHR Administrator and maintained in accordance with systemwide records retention policies.

When more than one Complainant or more than one Respondent is involved, references in these Procedures to a Party, Complainant, or Respondent include the plural, as applicable.

Complaints Accepted for Investigation

Within 10 Working Days of the date of an intake meeting or receipt of a request for investigation from the Complainant (whichever is later), or making a determination that an investigation is necessary without a request from or participation by the Complainant, the Title IX

Coordinator/DHR Administrator will send a Notice of Investigation to the Complainant and Respondent.

Complaint Not Accepted for Investigation

If the Title IX Coordinator/DHR Administrator determines that the Complaint does not allege a violation of the Nondiscrimination Policy, the Title IX Coordinator/DHR Administrator will, within 10 Working Days of the date of the intake or receipt of a written request for investigation (whichever is later), notify the Complainant in writing that the Complaint will not be investigated without further information. The Title IX Coordinator/DHR Administrator may refer the Complaint to another campus office if appropriate and will notify the Complainant of any referral. The Title IX Coordinator/DHR Administrator will retain a record of the Complaint, the written determination and any referrals made to another campus office.

Discretionary Dismissal

At any time after a Complaint has been accepted for investigation, it is within the discretion of the Title IX Coordinator/DHR Administrator to dismiss a Complaint, or any part of a Complaint, if:

- A. The Complainant notifies the Title IX Coordinator/DHR Administrator in writing that they would like to withdraw the Complaint or any part of it, or
- B. If the specific circumstances prevent the University from reasonably gathering evidence necessary to reach a determination as to the Complaint or part of the Complaint.

Dismissal of a Complaint - Applies only to Complaints of Sex-based Harassment

The Title IX Coordinator/DHR Administrator may dismiss a Complaint of Sex-based Harassment if:

- a. The University is unable to identify the Respondent after taking reasonable steps to do so;
- b. The Respondent is not participating in the University's education program or activity and is not employed by the University;
- c. The Complainant voluntarily withdraws any or all of the allegations in the Complaint, the Title IX Coordinator/DHR Administrator declines to initiate a Complaint, and the University determines that, without the Complainant's withdrawn allegations, the conduct that remains alleged in the Complaint, if any, would not constitute Sex-based Harassment even if proven; or
- d. The University determines the conduct alleged in the Complaint, even if proven, would not constitute Sex-based Harassment. Before dismissing the Complaint, the University will make reasonable efforts to clarify the allegations with the Complainant. Complaints that are dismissed on this basis may be referred to another process or another campus office for review under other potentially applicable policies or codes of conduct (such as the grade appeal process, student code of conduct, employee grievance procedures, ADA process, to be addressed as unprofessional conduct, etc.).

When a complaint is dismissed, the University will promptly notify the Complainant of the basis for the dismissal in writing. If the dismissal occurs after the Respondent has been notified of the allegations, then the University will also notify the Respondent of the dismissal in writing and the basis for it. When a Complaint is dismissed, the University will, at a minimum:

- a. Offer Supportive Measures to the Complainant as appropriate;

- b. If the Respondent has been notified of the allegations, offer Supportive Measures to the Respondent as appropriate; and
- c. Take other prompt and effective steps, as appropriate, through the Title IX Coordinator/DHR Administrator to ensure that Sex-based Harassment does not continue or recur within the University's education program or activity.

The University will notify the Complainant that a dismissal may be appealed and will provide the Complainant with an opportunity to appeal the dismissal of a Complaint. If the dismissal occurs after the Respondent has been notified of the allegations, then the University will also notify the Respondent that the dismissal may be appealed. Dismissals may be appealed on the following bases:

- a. Procedural irregularity occurred that would have likely changed the outcome of the decision to dismiss;
- b. New evidence that was not reasonably available at the time of the dismissal and would have likely changed the outcome of the decision to dismiss; or
- c. The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that would change the outcome.

Appeals will be submitted to the Civil Rights Appeals Unit at the Chancellor's Office and will be addressed to:

Civil Rights Appeals Unit
Office of the Chancellor
401 Golden Shore
Long Beach, California 90802
CO-Appeals@calstate.edu

- 1. If a Party is unable to submit an appeal or a response to an appeal electronically, they should contact the campus Title IX Coordinator/DHR Administrator for assistance.
- 2. When an appeal is submitted, the Civil Rights Appeals Unit will notify the other Party and the campus Title IX Coordinator/DHR Administrator in writing. The non-appealing Party may submit a written statement in support of or challenging the dismissal no later than 5 Working Days after the notice of appeal. Within 10 Working Days of the Civil Rights Appeals Unit's receipt of the appeal, the Civil Rights Appeals Unit will notify the Parties (via email and at the same time) of its decision.
- 3. The Civil Rights Appeals Unit will not consider evidence that was not introduced to the campus during the Complaint review process unless the new evidence was not reasonably available at the time of the Complaint review.
- 4. The Civil Rights Appeals Unit has discretion to extend the timelines for the dismissal appeal process for good cause or for any reasons deemed to be legitimate by the Civil Rights Appeals Unit. This includes the time for filing an appeal and the time for the Civil Rights Appeals Unit to respond to the appeal. The Civil Rights Appeals Unit will notify the

Parties and the Title IX Coordinator/DHR Administrator of any extensions of time granted pertaining to any portion of the appeal process.

5. The Civil Rights Appeals Unit appeal response is final and concludes the discretionary dismissal process under these Procedures.

Consolidation

The University may consolidate Complaints of Discrimination, Harassment, or Retaliation against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one Party against another Party, when the allegations of Discrimination, Harassment, or Retaliation arise out of the same or substantially similar facts or circumstances. The Title IX Coordinator/DHR Administrator will determine whether a Complaint should be consolidated (subject to FERPA and other applicable privacy laws). In addition, during the course of the investigation, the investigation may reveal the existence of additional or different violations of the Nondiscrimination Policy, which may also be consolidated following notification to the Parties. Depending on the timing and circumstances, the Title IX Coordinator/DHR Administrator retains discretion to resolve Complaints using the same investigator or following the resolution of the initial Complaint, such as through appropriate Disciplinary Sanctions.

Student Grade Appeals

Grade appeals that allege a violation of the Nondiscrimination Policy proceed under the campus procedures per *CSU Grading, Repetition of Courses, Academic Renewal, and Appeals Policy* (or any superseding policy) and under these Procedures as follows:

1. The Student will promptly request a grade appeal and note that the grade appeal procedure should be paused until such time as the campus investigation and any appeal process under these Procedures have concluded.
2. The determination whether a violation occurred under the Nondiscrimination Policy will be provided to the campus grade appeal committee, and the committee will be bound by the determination when the grade appeal process resumes.

Alternative Resolution Process

Informal Resolution

The Parties may voluntarily choose to participate in an informal resolution process to resolve an alleged violation of the Nondiscrimination Policy. The filing of a formal Complaint is not required to initiate the informal resolution process.

General Principles

The Title IX Coordinator / DHR Administrator has discretion to determine whether it is appropriate to offer an informal resolution process and may decline to allow informal resolution despite the request of one or more of the Parties. Circumstances when the Title IX Coordinator/DHR Administrator may decline to allow informal resolution include but are not limited to:

- i. When they determine that the alleged conduct would present a future risk of harm to others.
- ii. When the Complaint involves allegations made by a Student against an Employee. Informal resolution in these cases is generally discouraged and may be permitted with the approval of the Systemwide Director for Civil Rights assigned to the University following a request by the Title IX Coordinator/DHR Administrator. In addition, any informal resolution

agreement between a Student and an Employee will be reviewed by the assigned Systemwide Director for Civil Rights prior to being finalized.

The Title IX Coordinator/DHR Administrator will conduct or oversee the informal resolution process and conduct an initial and on-going assessment as to whether the process should continue.

Prior to approving an informal resolution, the Title IX Coordinator/DHR Administrator will consult with the appropriate administrator responsible for discipline.

The Title IX Coordinator/DHR Administrator will make the final determination on all informal resolution processes regarding whether the terms agreed to by the Parties are appropriate considering all of the circumstances of the Complaint.

When the informal resolution process is offered, and to the extent necessary, the Title IX Coordinator/DHR Administrator will also take other appropriate prompt and effective steps to ensure that the alleged violations of the Nondiscrimination Policy do not continue or recur within the University's education programs, activities, or employment.

Neither Party will be required or pressured to participate in an informal resolution process. The Title IX Coordinator/DHR Administrator must obtain the Parties' voluntary written consent to participate in the informal resolution process and must not require waiver of the right to an investigation and determination of a Complaint as a condition of enrollment or continuing enrollment, employment or continuing employment, or exercise of any other right.

The person facilitating the informal resolution process must not be the same person as the Investigator or the Hearing Officer in the formal complaint resolution process. A Title IX Coordinator/DHR Administrator may facilitate the informal resolution process. When the Title IX Coordinator/DHR Administrator facilitates the informal resolution process, they cannot serve as the Investigator. In addition, any informal resolution agreements facilitated by the Title IX Coordinator/DHR Administrator must be signed by the assigned Systemwide Director for Civil Rights.

When the Title IX Coordinator/DHR Administrator facilitates the informal resolution process, they cannot serve as the Investigator. In addition, any informal resolution agreements facilitated by the Title IX Coordinator/DHR Administrator must be signed by the assigned Systemwide Director for Civil Rights.

Any person facilitating an informal resolution process will receive appropriate training and must be free from a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent.

Notice of Informal Resolution Process

Before beginning the informal resolution process, the Title IX Coordinator/DHR Administrator will explain in writing to the Parties:

- a. The allegations;
- b. The requirements of the informal resolution process;

- c. That any Party has the right to withdraw from the informal resolution process and begin or continue with the formal complaint resolution process at any time before agreeing to a resolution;
- d. The Parties' right to consult with an Advisor;
- e. Any resolution must be in writing and signed by both Parties and the Title IX Coordinator/DHR Administrator;
- f. That if the Parties agree to a resolution at the end of the informal resolution process, they cannot begin or continue with the formal complaint process in relation to the same allegations;
- g. The potential terms that may be requested or offered in an informal resolution agreement, including notice that an informal resolution agreement is binding only on the Parties; and
- h. What information the University will maintain and whether and how the University could disclose such information for use in the formal complaint resolution process if such procedures begin or resume.

Potential Terms

Potential terms that may be included in an informal resolution agreement include, but are not limited to:

- a. Apology, written or verbal;
- b. Relocation or removal from a residence hall or other University provided housing, subject to availability;
- c. Changes in academic arrangements, such as changing class sections or locations;
- d. Changes in work schedules or locations;
- e. Limitations on or agreements related to participation in and/or presence in/at events, extracurricular activities, student organizations, recreational facilities, athletics, etc.
- f. Participation in and/or successful completion of alcohol or drug education or counseling;
- g. Participation in counseling services for mental or behavioral health;
- h. Participation in specific educational opportunity or training;
- i. Voluntary educational, mentoring, coaching, or counseling sessions, which may or may not include stipulations, such as proof of successful completion or statement of active participation from the mentor / coach / counselor;
- j. Verbal counseling or warnings;
- k. Collaborative agreements on behavioral or institutional changes;
- l. No-contact directives, or other restrictions on contact, communication, and/or interactions between the Parties;
- m. Restrictions on Respondent's movement or access to specific locations at the University;
- n. Alternative seating arrangements for graduation;

- o. Complainant sharing of an impact statement with the Respondent;
- p. Admission or acceptance of responsibility for causing harm and/or the alleged conduct;
- q. Community service;
- r. Voluntary participation in formal disciplinary action for Respondent;
- s. Restrictions on the Respondent's participation in one or more University programs or activities or attendance at specific events, including restrictions the University could have imposed as Remedies or Disciplinary Sanctions had it determined at the conclusion of the formal complaint resolution process that a violation of the Nondiscrimination Policy occurred; or
- t. Other mutually agreed upon outcomes or resolutions.
 - Any agreed-upon Remedies and Disciplinary Sanctions agreed to in an informal resolution have the same effect as Remedies given and Disciplinary Sanctions imposed following an investigation or hearing.

Timeframe

The informal resolution process may take place at any time before a determination of responsibility is made, but no later than 60 Working Days after both Parties provide voluntary, written consent to participate in the informal resolution process. The Parties and the Title IX Coordinator / DHR Administrator may agree to one or more extensions of the 60 Working Day deadline, which will be confirmed in writing. The timeline of the formal complaint resolution process will be paused during the pendency of any informal resolution process.

Written Agreement-Not Subject to Appeal

The terms of any informal resolution must be in writing and signed by the Parties and the Title IX Coordinator/DHR Administrator. Use of electronic signatures is permitted. A signed agreement to an Informal Resolution is final and is not appealable by either Party.

Restrictions on Mediation Between the Parties

Mediation between the Parties cannot be used, even on a voluntary basis, to resolve Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, or Stalking Complaints.

Acceptance of Responsibility

The Respondent may, at any time during the investigation or hearing process, prior to an Investigator or Hearing Officer issuing their determination, choose to accept responsibility for the alleged conduct prohibited under the Nondiscrimination Policy.

Before a Respondent accepts responsibility for the alleged misconduct, the Title IX Coordinator / DHR Administrator or designee will discuss with the Respondent that the matter will be referred to the University president or designee for a decision regarding an appropriate Disciplinary Sanction, and that the acceptance of responsibility could – but will not necessarily – be regarded as a mitigating factor that results in less severe sanctions.

Acceptance of responsibility will only be recognized if the Respondent accepts responsibility by signing a written document prepared by the Title IX Coordinator / DHR Administrator that describes the range of Disciplinary Sanctions that the president or designee will consider in reaching a decision about Disciplinary Sanctions.

If the Respondent has accepted responsibility in writing, the Title IX/DHR office will issue a brief written summary of the allegations and a statement that the Respondent has accepted responsibility. The written summary will be sent to both the Complainant and the Respondent.

Within 5 Working Days of receiving the written summary from the Title IX/DHR Office, each Party may submit to the Title IX Coordinator / DHR Administrator an impact statement or other statement regarding discipline that is no more than 2000 words in length. The document is an opportunity for each Party to suggest disciplinary outcomes and to provide information that they believe is important for the president or designee to consider when reaching a sanction decision. The Student Conduct Administrator and/or Title IX Coordinator / DHR Administrator will also submit a written statement regarding aggravating and mitigating factors (that is, factors that would warrant a more severe or less severe sanction), including whether the Respondent was previously found to have violated the Standards for Student Conduct or the Nondiscrimination Policy. These written statements will be provided to the president or designee who will decide an appropriate sanction.

The Parties may appeal the sanction only on the grounds that the sanction(s) imposed was objectively unreasonable, or arbitrary based on the conduct for which the Respondent accepted responsibility. The appeal process will otherwise be in accordance with [Appeal Procedures](#) below.

Where there is an acceptance of responsibility regarding some but not all of the alleged conduct, the investigation and hearing process will continue to conclusion, unless otherwise resolved through Informal Resolution

Investigations-The Formal Complaint Resolution Process

Purpose of the Investigation and Resolution Process

The investigation and resolution of Complaints under these Procedures is not intended to be an adversarial process between the Complainant, the Respondent, and witnesses. Rather, it is a process and opportunity for the University to educate students, provide an environment free from Discrimination, Harassment, and Retaliation, and comply with its obligations under law. The University will provide for adequate, reliable, and impartial investigation of Complaints. The University will treat Complainants and Respondents equitably.

Cooperation in the Investigation Process

All Employees, and Students who are not Parties to the Complaint, are required to cooperate with the investigation and other processes set forth in these Procedures, including but not limited to, attending meetings and interviews, and being forthright and honest during the process.

Written Notice

The University will provide a Party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all meetings or proceedings with sufficient time for the Party to prepare to participate.

Prohibition on Retaliation

The University strictly prohibits Parties or witnesses from engaging in Retaliation against anyone for reporting or filing a Complaint, assisting or participating in an investigation or hearing, interfering with a Party's or witness's rights or privileges under the Nondiscrimination Policy, or for assisting someone else in reporting or opposing conduct prohibited by the Nondiscrimination Policy. Any acts of Retaliation are subject to disciplinary action.

Privacy

The University will take reasonable steps to protect the privacy of the Parties and witnesses, including ensuring compliance with the Family Educational Rights and Privacy Act (FERPA) and other applicable privacy laws. During the formal complaint resolution process, beginning with the Notice of Investigation and concluding when the deadline for an appeal has passed or the Civil Rights Appeals Unit has issued its final response, the Parties and witnesses are prohibited from using or disclosing the information or records obtained through the formal complaint resolution process. This prohibition shall not restrict the ability of the Parties to obtain and present evidence, including by speaking to witnesses, consulting with family members, confidential resources, or Advisors, or otherwise preparing for or participating in the formal complaint resolution process. These restrictions also do not apply to information learned through other means, such as personal experience, or to disclosures made during another administrative proceeding or through litigation. For especially sensitive materials, including but not limited to recordings and medical records, the University will provide such records for viewing or inspection only -- and not for copying or possessing. The Parties and their Advisors may be asked to sign written acknowledgements agreeing to these restrictions on disclosure and re-disclosure. Whether or not such acknowledgements are signed, violations of these prohibitions, including disregarding any restrictions on the use of records (such as re-disclosing records to unauthorized individuals or copying records that are provided for viewing only), may subject a Student or Employee to discipline.

Standard and Burden of Proof

The standard of proof for hearings and investigations under these Procedures is the Preponderance of the Evidence. Preponderance of the Evidence is a standard of proof that determines whether alleged conduct more likely than not occurred based on the evidence presented or facts available at the time of the decision. The responsibility is not on the Parties – but on the University – to conduct an investigation that gathers sufficient evidence to determine whether Discrimination, Harassment, or Retaliation occurred. The Complainant does not have the burden to prove, nor does the Respondent have the burden to disprove, the underlying allegation or allegations of misconduct. The University presumes that the Respondent is not responsible for the alleged conduct until a determination is made at the conclusion of the formal complaint resolution process.

Role of the Title IX Coordinator / DHR Administrator in the Investigation Process

The Title IX Coordinator/DHR Administrator will either investigate the Complaint or assign this task to an Investigator. If assigned to an Investigator, the Title IX Coordinator/DHR Administrator will supervise and oversee the investigation, including reviewing all draft investigation reports before they are final to ensure that the investigation complies with these Procedures. If the Title IX Coordinator/DHR Administrator investigates the Complaint, a Systemwide Director or other appropriately trained administrator will review all draft investigation reports in the place of the Title IX Coordinator/DHR Administrator.

Neutrality of Process

The University requires that any Title IX Coordinator/DHR Administrator, investigator, or decisionmaker not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent. A decisionmaker may be the same person as the Title IX Coordinator/DHR Administrator or investigator. The Title IX Coordinator/DHR Administrator will take affirmative steps to ensure that anyone involved in conducting investigations, finding facts, and making disciplinary decisions in a matter will be impartial,

neutral, and free from actual conflicts of interest. A conflict of interest exists if a person has a personal relationship with one of the Parties or witnesses, has a reporting employment relationship with a Party, or has demonstrated actual bias towards a Party or witness or towards Complainants or Respondents in general. Mere belief or opinion does not constitute evidence of bias or conflict of interest.

Investigation Where a Respondent Does Not Participate

The Respondent will not be found to have violated the Nondiscrimination Policy solely because the Respondent did not participate in the investigation or hearing process. Nor will the Respondent be found not to have violated the Nondiscrimination Policy solely because a Complainant or other witness did not participate in the investigation or hearing process.

Timeframe, Extensions, and Status Updates

The University has established the following timeframes for the major stages of the formal complaint resolution process:

Stage	Timeframe
Complaint accepted or not accepted for investigation	Within 10 Working Days of the date of the intake or receipt of a written request for investigation (whichever is later)
Investigation – Review of Evidence Response Submission	10 Working Days from date Preliminary Investigation Report sent to Parties
Investigation – Final Investigation Report	100 Working Days from the date the Notice of Investigation is sent to Parties
Notice of Hearing	At least 20 Working Days prior to date of hearing
Hearing Officer’s Decision Report	15 Working Days from end of hearing
Final Decision from President or Designee	10 Working Days from receipt of Hearing Officer’s sanction recommendation
Appeal Submission	10 Working Days from date Notice of Investigation Outcome (non-hearing) or Final Decision (hearing) is sent to the Parties
Appeal Determination	30 Working Days after receipt of the written appeal

The University has also established the following process that allows for the reasonable extension of timeframes in these Procedures on a case-by-case basis for good cause. A Party, Investigator, and/or Hearing Officer may request a reasonable extension of the timeframes in these Procedures at any time from the Title IX Coordinator/DHR Administrator. The Title IX Coordinator/DHR Administrator may also initiate a reasonable extension of the timeframes in these Procedures at any time. For an extension to be granted, the following process must be followed:

1. Good cause for the extension must exist. Good cause may include:
 - a) To ensure the integrity and thoroughness of the investigation;

- b) The reasonable absence of a Party, Party's advisor, or witness;
 - c) To comply with a request by law enforcement, including a concurrent law enforcement investigation;
 - d) Based on the need to provide language assistance, disability accommodations, or other modifications to allow the full participation of a Party or witness;
 - e) Academic breaks or exam periods;
 - f) A particularly complex investigation or hearing process, such as one involving multiple Complainants, multiple Respondents, a large number of witnesses, voluminous evidence, or length of the written record;
 - g) The severity and extent of the alleged misconduct; or
 - h) Other extenuating or unforeseen circumstances that are not within the control of the University, Party, witnesses, Investigator, or Hearing Officer.
2. The Title IX Coordinator/DHR Administrator is the final decision-maker with respect to all extensions
 3. The Parties receive written notice from the Title IX Coordinator/DHR Administrator or designee that an extension is necessary and an explanation for the delay. The notice will indicate if the extension alters the timeframes for the major stages of the Complaint process and provide a new estimated timeline.

Requests for Extensions

While requests for delays by the Parties and witnesses may be considered, the University cannot unduly or unreasonably delay the prompt resolution of a Complaint under the Nondiscrimination Policy.

- a. Students – As required by California law, the Title IX Coordinator/DHR Administrator will not unreasonably deny a Student Party's request for an extension during periods of examinations or academic breaks.
- b. Employees – The fact that an Employee is off contract or between semesters, without more, does not excuse an Employee from their expected participation in the Complaint resolution process.

Status Updates

In addition to the communications at each major stage of the process, the University will provide a status update to the Complainant and Respondent every 30-days, beginning from the date that the Notice of Investigation is issued until the Notice of Investigation Outcome or Final Decision is issued to the Parties, unless a Party requests in writing not to receive these updates.

- a. For cases of Sex-based Harassment, the Title IX Coordinator/DHR Administrator shall notify the Complainant of any Disciplinary Sanctions imposed against a Respondent.
- b. The Civil Rights Appeals Unit will provide status updates to the Parties and Title IX Coordinator/DHR Administrator as required by the timelines in these Procedures.
- c. In addition, either Party may, at any time, request from the Title IX Coordinator/DHR Administrator a status updates regarding investigation, hearing, and appeal timeframes.

Reasonable Accommodations

Any person with a Disability who seeks reasonable accommodations to participate in the Complaint submission or investigation process will be referred to the appropriate campus administrator (for Students, the services for students with disabilities administrator, and for Employees the appropriate human resources administrator) who may consult with the Title IX Coordinator/DHR Administrator to determine the reasonableness of a requested accommodation.

Notices of Investigation

The University will prepare Notices of Investigation for the Parties upon initiation of the formal complaint resolution process. The Notices of Investigation must be issued to the Parties in writing, at the same time, and with sufficient time and information for the Parties to prepare a response before any initial interview. A Notice of Investigation must include the following information:

1. An overview summary of the Complaint allegations (e.g., "who," "what," "when," and "where"), including the identities of the Parties, the conduct alleged to constitute Discrimination, Harassment, or Retaliation, and the date(s) and location(s) of the alleged incident(s);
2. A copy of, or internet link to, these Procedures and the Nondiscrimination Policy, as well as a summary of the alleged Nondiscrimination Policy violations;
3. A summary of the Nondiscrimination Policy formal complaint resolution process, including the right to appeal and the informal resolution process;
4. That Retaliation is prohibited;
5. The Respondent is presumed not responsible for the alleged conduct until a determination is made at the conclusion of the formal complaint resolution process. Prior to such a determination, the Parties will have an opportunity to provide Relevant evidence to a trained, impartial decisionmaker (Investigator or Hearing Officer);
6. The estimated timeline for completion of the investigation;
7. Information regarding counseling and other Supportive Measures;
8. The Parties may have one Advisor of their choice who may be, but is not required to be, an attorney or union representative;
9. The Parties will have an equal opportunity to access the Relevant and not otherwise impermissible evidence used in the investigation;
10. A statement that the Complainant and Respondent will have equal opportunities to identify Relevant witnesses and evidence in connection with the investigation and at any hearing, including the ability to:
 - a. Submit documentary information to the Investigator;
 - b. Submit a list of potential witnesses to the Investigator; or
 - c. Request that the Investigator attempt to collect additional relevant evidence;
11. A statement that any evidence available, but not disclosed during the investigation might not be considered in any findings made, including at any hearing, and likely will not be considered for purposes of appeal;

12. A statement that the Standards for Student Conduct prohibits furnishing false information to a University official, faculty member, or campus office;
13. A statement that the Complainant and Respondent will be provided with periodic status updates in accordance with the timelines established in these Procedures; and
14. A statement regarding the possible range of Disciplinary Sanctions. If new but related allegations are raised during the investigation that are materially different from those described in the Notice of Investigation, the Title IX Coordinator / DHR Administrator will issue a revised Notice of Investigation to the Parties, along with a corresponding revised timeline for completion, if appropriate.

Respondent Initial Meeting

In the Notice of Investigation, the Title IX Coordinator/DHR Administrator will offer to have an initial meeting with the Respondent. This meeting is not intended to be investigatory in nature. At this meeting, the Title IX Coordinator / DHR Administrator will explain the allegations against the Respondent, as well as the investigation process and the Respondent's rights during the process. The Title IX Coordinator/DHR Administrator will also explain that during the investigation process the Respondent and the Complainant will have the opportunity to present evidence, identify witnesses, and review evidence.

Gathering Evidence

During the investigation, the Investigator will take reasonable steps to gather all Relevant evidence from the Parties, witnesses, or other sources, including interviews with the Complainant, the Respondent, and Relevant witnesses. The University will provide an equal opportunity for the Parties to present fact witnesses and other inculpatory (meaning that it shows or tends to show a person's involvement in the alleged conduct) and exculpatory (meaning that it shows or tends to show that a person was not involved in the alleged conduct) evidence that is Relevant. The Investigator will interview the Parties and Relevant witnesses and review documents and physical evidence. As appropriate to the investigation, the Investigator may conduct follow-up interviews or request responses to questions in writing.

Opportunity to Submit Evidence and Identify Witnesses

The Complainant and Respondent will be asked to identify witnesses and provide other Relevant information, such as documents, communications, and other available evidence. The Parties are encouraged to provide all Relevant information as soon as possible to facilitate a prompt resolution to the Complaint. The Investigator may receive any information presented by the Parties, but the Investigator, not the Parties, is responsible for gathering Relevant evidence. If a Party or witness declines to voluntarily provide material information or delays in doing so, the University's ability to conduct a prompt, thorough, and equitable investigation may be impacted. The University will not restrict the ability of either Party to discuss the allegations under investigation or to gather and present Relevant evidence. Parties and witnesses must not engage in actions that could be considered Retaliation, including confronting, threatening, intimidating, attempting to influence, or otherwise taking inappropriate actions against any Party, witness, or anyone else participating in the investigation or hearing process. The Investigator will document the steps taken to gather evidence, even when those efforts are not successful.

Bases for Declining a Request to Gather Evidence

The Investigator will gather evidence and ask questions proposed by the Parties, except as follows:

- a. The Investigator determines that the questions are repetitive, irrelevant, or harassing.

- b. The request seeks information that can be reasonably and adequately obtained by the requesting Party from other independent or publicly available sources.
- c. The burden of obtaining the information is likely to substantially outweigh the benefit that the evidence bears on a disputed issue.
- d. The requested information can be reasonably obtained through other means less likely to intrude on a person's privacy.

Investigations Involving Allegations of Sex Discrimination

The University will review all evidence gathered through the investigation and determine what Relevant evidence may be considered. Questions are Relevant when they seek evidence that may aid in showing whether or not the alleged conduct occurred, and evidence is Relevant when it may aid a decisionmaker in determining whether or not the alleged conduct occurred.

1. Impermissible evidence is evidence that is not allowed to be accessed, considered, or otherwise used by the University, except to determine if one of the exceptions listed below applies. The following types of evidence, and questions seeking that evidence, are impermissible, regardless of whether they are Relevant:
 - a. Evidence protected by a privilege recognized by state or federal law (unless waived by the Party or witness holding the privilege);
 - b. A Party's or witness's private medical records maintained by a physician, psychologist, or other recognized professional or paraprofessional (unless the Party or witness voluntarily consents to its use in writing); or
 - c. Evidence that relates to the Complainant's or Respondent's sexual interests or prior or subsequent sexual conduct (unless offered to prove someone other than the Respondent committed the alleged conduct or offered to prove how the Parties communicated consent in prior or subsequent consensual, sexual relations).
 - i. Where the Investigator allows consideration of evidence about a dating relationship or prior or subsequent consensual sexual relations between the Complainant and the Respondent, the fact that the Complainant and Respondent engaged in other consensual sexual relations with one another is never sufficient, by itself, to establish that the conduct in question was consensual.
 - ii. Prior consensual, sexual conduct between the Complainant and the Respondent does not prevent the University from finding that the conduct alleged in the Complaint constitutes Sex-based Harassment or otherwise violates the Nondiscrimination Policy.
2. Before allowing the consideration of any evidence of sexual history of the Complainant or the Respondent under this section, the Investigator will provide a written explanation to the Parties as to why consideration of the evidence is permissible under this section.

Expert Witnesses

In rare cases, an Investigator may need to consult medical, forensic, technological, or other experts when expertise on a topic is needed to achieve a fuller understanding of the issues under

investigation. In such cases, the Investigator must consult with the Title IX Coordinator/DHR Administrator prior to engaging an expert witnesses.

Preliminary Investigation Report

The University will provide each Party and the Party's Advisor, if any, with an equal opportunity to access the evidence that is relevant to the allegations of Discrimination, Harassment, or Retaliation and not otherwise impermissible evidence.

Before finalizing the investigation, the Investigator will share with the Complainant and Respondent a preliminary investigation report, along with all Relevant evidence gathered. The preliminary investigation report will list any evidence offered by the Parties or any other witnesses that the Investigator concluded are not Relevant. This evidence will be available for review upon request. The preliminary investigation report will:

- a. Describe the allegations.
- b. Describe the investigative process to date.
- c. Set forth the relevant policy language and the Preponderance of Evidence Standard.
- d. Describe the evidence presented and considered.
- e. Identify the material facts – disputed and undisputed – with explanations as to why any material fact is disputed.

Access to Preliminary Investigation Report

The Investigator, in consultation with the Title IX Coordinator/DHR Administrator, will use discretion in determining how to provide the Parties with secure access to the preliminary investigation report. The University will take reasonable steps to prevent and address the Parties' and their Advisors' unauthorized disclosure of information and evidence obtained solely through the formal complaint resolution process.

Review of Evidence

Each Party will be given a reasonable opportunity to respond to the preliminary investigation report and any attached evidence and ask questions. The opportunity to review and respond to the preliminary investigation report is known as the "review of evidence" process. The Parties will have 10 Working Days to review the evidence. Each Party may:

- a. Respond to the evidence in writing.
- b. Request that the Investigator gather additional evidence or ask specific questions to the other Party and other witnesses.
- c. Identify additional witnesses.

Conclusion of Review of Evidence

The Investigator will share with the Parties the answers to questions posed during the review of evidence and additional Relevant evidence gathered. This will be shared with all Parties, who may then respond to any new evidence and ask questions. The Investigator determines when it is appropriate to conclude the review of evidence process.

Final Investigation Report

Final Investigation Report (Hearing Required)

In matters where a hearing is not required, a final investigation report will be provided to the Parties along with a Notice of Investigation Outcome.

- a. The final investigation report will include:
 - i. A summary of the allegations,
 - ii. The investigation process,
 - iii. The Preponderance of the Evidence standard,
 - iv. A detailed description of the evidence considered,
 - v. Analysis of the evidence including relevant credibility evaluations,
 - vi. Appropriate findings, and
 - vii. Relevant exhibits and documents attached to the written report.
- b. The Notice of Investigation Outcome will attach the final investigation report and include the following:
 - i. A summary of the allegations and the investigative process.
 - ii. That the Preponderance of the Evidence standard was employed.
 - iii. A summary of the findings of fact.
 - iv. A determination as to whether the Nondiscrimination Policy was violated, and if so, any Remedies to be afforded to the Complainant.
 - v. Notice of Parties' right to appeal under these procedures.
- c. The notice will usually be delivered to the Parties electronically. If the notice includes a determination that there was a violation of the Nondiscrimination Policy, the Title IX Coordinator/DHR Administrator will notify the appropriate University administrator responsible for discipline of the investigation outcome and provide a copy of the final investigation report. This notice will include the appeal rights available to the Respondent prior to the initiation of any Disciplinary Sanctions.

Final Investigation Report (Hearing Not Required)

The final investigation report will include all of the information included in the preliminary investigation report as well as additional Relevant evidence received during the review of evidence. Any relevant evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator, will be attached to the final investigation report, or made available for review by the Parties. Evidence offered by the Parties or any other witnesses that the Investigator concluded is not Relevant will be noted but not included in the final investigation report and should be available at the time of the hearing such that it can be provided to the Hearing Officer if requested.

Hearings

As part of the formal complaint resolution process for Sex-based Harassment cases, the CSU will provide a live hearing that enables the decisionmaker – “the Hearing Officer” – to question the

Parties and witnesses to assess a Party's or witness's credibility to the extent credibility is both in dispute and relevant to evaluating one or more allegations.

A hearing will be provided when:

1. Both Parties are Students, or either the Complainant or Respondent is a Student; AND
2. The Complaint includes allegations of Sex-based Harassment. The Complainant and Respondent will be treated equitably throughout the pre-hearing and hearing processes.

Privacy

The University will take reasonable steps to protect the privacy of the Parties and witnesses during the hearing process, provided that the steps do not restrict the ability of the Parties to obtain and present evidence, including by speaking to witnesses (subject to the University's prohibition on Retaliation), consulting with their family members, confidential resources, or Advisors, or otherwise preparing for or participating in the process.

Pre-Hearing Schedule and Response Deadlines:

Role of the Hearing Coordinator

The Hearing Coordinator (either the student conduct administrator, Title IX Coordinator, or other appropriate administrator) is the person responsible for coordinating the hearing process. The Hearing Coordinator will act as liaison between the Parties and the Hearing Officer on procedural matters and therefore may not be the Investigator assigned to the matter. The Hearing Coordinator may appropriately delegate administrative tasks but should have overall supervision of the hearing coordination process.

Notice of Hearing-20 Working Days Prior to Hearing

The Parties will be sent a written notice of the hearing at least 20 Working Days before the hearing. The notice will include the date, time, location, and purpose of the hearing as well as the name of the Hearing Officer. The notice is considered received on the date it is sent.

Submission of Proposed Witness List

No later than 15 Working Days before the hearing, each Party will provide to the Hearing Coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness' testimony.

Information Regarding Advisors and Support Persons

A Party may be accompanied at the hearing by one Advisor (for consultation) and one Support Person (for emotional support) of their choice. No later than 15 Working Days before the hearing, the Parties will provide to the Hearing Coordinator the name of, and contact information for, the Party's Advisor and Support Person (if any).

Objections to the Hearing Officer

A Hearing Officer will not have a conflict of interest or bias for or against complainants or respondents generally or an individual Complainant or Respondent. Objections to the assigned Hearing Officer will be made in writing to the Hearing Coordinator no later than 15 Working Days before the hearing.

- a) The objection may only be based on an actual conflict of interest. An actual conflict of interest exists if the Hearing Officer has a personal relationship with one of the Parties or

witnesses or has demonstrated actual bias towards a Party or witness, or complainants or respondents generally.

- b) The fact that the Hearing Officer has previously served as a hearing officer in a University proceeding is not a conflict of interest. Mere belief or opinion does not constitute evidence of actual bias or conflict of interest.
- c) The Hearing Coordinator will determine if there is a conflict of interest. In that event, the Parties will be notified in writing of the name of the new Hearing Officer. The date for the hearing may need to be rescheduled. Any objection to the new Hearing Officer will be made following the same process described above.

Location of Hearing-15 Working Days Prior to Hearing

Generally, the University will conduct hearings with the Parties physically present in separate locations using videoconferencing technology that allows the Hearing Officer and the Parties to simultaneously see and hear the Party or witness while that person is speaking. Any objections from a Party about being out of the physical presence of the Hearing Officer will be made in writing no later than 15 Working Days before the hearing.

Space and Technology Needs

Any Party who anticipates that they will not have a private space from which to participate in the hearing and/or technology access, including a reliable internet connection, should notify the Hearing Coordinator no later than 15 Working Days before the hearing so that the Hearing Coordinator can assist with appropriate arrangements for a private on-campus space and technology access.

Disability Accommodations

Any Party who requires a disability accommodation to facilitate their full participation in the hearing should notify the Hearing Coordinator no later than 15 Working Days before the hearing. The Hearing Coordinator will refer such requests to the appropriate campus administrator (for Students, the services for students with disabilities administrator, and for Employees the appropriate human resources administrator), who may consult with the Hearing Coordinator to determine the reasonableness of a requested accommodation.

Notification to Witnesses and Facilitation of Witness Participation

No later than 10 Working Days before the hearing, the Hearing Coordinator will share the witness list with the Parties and notify each witness of the date, time, and location of or how to access the hearing. a. The campus will direct Employee and Student witnesses to attend the hearing where the witnesses are timely identified to the Hearing Coordinator. b. The University will accommodate Student and Employee witnesses, including arranging for them to be excused from class attendance or work duties where necessary. Witnesses will be instructed to promptly direct any questions or concerns about their attendance at the hearing to the Hearing Coordinator. c. Any Employees, including those in bargaining units, who fail to comply with the directive may be subject to discipline under the applicable provisions of their collective bargaining agreement or other University policy. d. Students who fail to comply may be subject to discipline depending on the circumstances.

Submission of Proposed Questions

No later than 5 Working Days prior to the hearing, the Parties will submit a list of proposed questions to the Hearing Coordinator, who will share these with the Hearing Officer. Proposed questions will not be shared with the other Party or witnesses in advance of the hearing.

Questions/Concerns About the Witness List

No later than 5 Working Days before the hearing, the Parties will submit to the Hearing Coordinator any objections to, or questions about, the witness list.

Pending Requests

No later than 1 Working Day before the hearing, the Hearing Officer will resolve all pending requests regarding participation at the hearing. The Hearing Coordinator will give prompt notice to the Parties (and witnesses) as appropriate.

Role of Hearing Officer in Pre-Hearing Matters

The Hearing Officer will make all determinations regarding pre-hearing matters, including which witnesses will participate and which questions, if submitted, are Relevant and will promptly notify the hearing coordinator who, in turn, will promptly notify the Parties. The Hearing Officer may also identify and request witnesses from the final investigation report not previously listed by the Parties attend the hearing.

Audio Recording of Hearing

The University will make an official audio recording of the hearing. No other recording of the hearing is permitted. The recording is University property. The audio recording will be retained by the University in accordance with the records retention policy. Parties may request to review the recording.

Hearing Attendees and Participants

1. The following individuals are permitted to attend the hearing:
2. The Parties
3. The Hearing Office
4. Witnesses while they are answering questions
5. The Title IX Coordinator/DHR Administrator
6. The Hearing Coordinator 6. The Student Conduct Administrator
7. One Advisor per Party
8. One Support Person per Party
9. An appropriate Chancellor's Office administrator University police or security officer, or other individuals may be present as necessary for security, technological support, language assistance or other approved reasonable accommodation but will not participate in the hearing.

Role of Advisors and Support Persons

The Parties may each be accompanied at the hearing by one Advisor and one Support Person. An Advisor and Support Person may observe and consult with the Parties. However, during the hearing, the Advisor and Support Person will not make the opening statement or speak regarding the substance or the process of the hearing. Parties may make a request to the Hearing Officer for a break to speak with their Advisor or Support Person.

Party Failure to Appear

If a Party does not appear at the hearing without good cause, the hearing will proceed as scheduled. Whether good cause exists is determined by the Hearing Officer.

The Respondent will not be found to have violated the Nondiscrimination Policy solely because the Respondent or other witness failed to appear at the hearing. Nor will the Respondent be found not to have violated the Nondiscrimination Policy solely because a Complainant or other witness failed to appear at the hearing.

Participant Conduct

Abusive or otherwise disorderly behavior that causes a material disruption will not be tolerated. The Hearing Officer may excuse anyone from the hearing (including either Party or their Advisor or Support Person) whose behavior causes a material disruption. The Hearing Officer, at their discretion, may postpone the hearing when a participant has been excused. In making this decision, the Hearing Officer will consider the equity of postponement for both Parties.

New Evidence

Generally, the Parties may not introduce evidence, including witnesses and their statements, at the hearing that the Party did not identify during the investigation and that was available at the time of the investigation. The Hearing Officer has discretion to accept for good cause, or exclude, new evidence offered during the pre-hearing stage or at the hearing.

Opening Statements

Each Party will be given an opportunity to make an opening statement of no longer than 10 minutes. An opening statement is intended to give the Parties the opportunity to share their perspective regarding the facts and discuss the core disputes in the investigation. It should focus on the facts of the matter and not be argumentative. The Parties will not make closing statements.

Questioning

All questions will be asked by the Hearing Officer. The Hearing Officer may ask questions of the Complainant, Respondent, Investigator, any campus official (e.g., Title IX Coordinator / DHR Administrator or Student Conduct Administrator), and any witness.

1. The process for proposing and asking Relevant and not otherwise impermissible questions and follow-up questions of Parties and witnesses, including questions challenging credibility, will:
 - a. Allow the Hearing Officer to ask such questions, and
 - b. Allow each Party to propose such questions that the Party wants asked of any Party or witness and have those questions asked by the Hearing Officer, subject to the procedures for evaluating and limiting questions described below.
2. Procedures for the Hearing Officer to evaluate the questions and limitations on questions:
 - a. The Hearing Officer will determine whether a proposed question is Relevant and not otherwise impermissible before the question is posed and will explain any decision to exclude a question as not relevant or otherwise impermissible.
 - b. Questions that are unclear or harassing of the Party or witness being questioned will not be permitted.
 - c. The Hearing Officer will give a Party an opportunity to clarify or revise a question that the Hearing Officer determines is unclear or harassing. If the Party sufficiently clarifies or revises the question, the question will be asked.

- d. The Parties may also submit written follow-up questions to the Hearing Officer during the hearing, at appropriate times designated by the Hearing Officer.
- e. The Hearing Officer will ask the questions proposed by the Parties except for questions that:
 - i. Seek information that is unreasonably duplicative of evidence in the Hearing Officer's possession;
 - ii. Are not relevant to material disputed issues, are repetitive, argumentative or harassing or unduly intrude on a witness' privacy;
 - iii. Relate to the Complainant's or Respondent's sexual interests or prior or subsequent sexual conduct, unless offered to prove someone other than the Respondent committed the alleged conduct;
 - iv. Relate to the existence of a dating relationship or prior or subsequent consensual sexual relations between the Complainant and the Respondent unless the evidence is relevant to how the Parties communicated consent in prior or subsequent consensual sexual relations.
 - 1. Note: If the Hearing Officer allows consideration of evidence about a dating relationship or prior or subsequent consensual sexual relations between the Complainant and the Respondent the mere fact that the Complainant and Respondent engaged in other consensual sexual relations with one another is never sufficient, by itself, to establish that the conduct in question was consensual.
 - 2. The Hearing Officer shall provide a written explanation to the Parties as to why consideration of the evidence is consistent with this section in the Hearing Officer's Report.

Party or Witness Failure to Participate

The Hearing Officer may choose to place less or no weight upon statements by a Party or witness who refuses to respond to questions deemed Relevant and not impermissible. The Hearing Officer will not draw an inference about whether alleged conduct occurred based solely on a Party's or witness's refusal to respond to such questions.

Questions, Concerns, and Objections to Questions Posed

At the hearing, each Party will have an opportunity to ask questions, submit concerns, or note an objection to questions posed. All such questions, concerns, or objections will be submitted in writing to the Hearing Officer. The Hearing Officer is not required to respond to an objection, other than to include it in the record.

Hearing Officer Discretion to Rephrase or Decline Questions

The Hearing Officer has the authority and duty to decline or rephrase any question that the Hearing Officer deems to be repetitive, irrelevant, or harassing. Formal rules of evidence applied in courtroom proceedings (e.g., California Evidence Code) do not apply in the hearing. However, the Hearing Officer may take guidance from the formal rules of evidence.

The Hearing Officer's Report

The Hearing Officer will prepare a written report that includes findings of facts and conclusions about whether the Respondent violated the Nondiscrimination Policy.

1. The report will include:
 - a. A description of the alleged conduct and potential Nondiscrimination Policy violations, which should correspond with those detailed in the Notice of Investigation and any amended notices.
 - b. Information about the policy and procedures that the University used to evaluate the allegations.
 - c. A summary of any procedural issues raised by the Parties before or during the hearing.
 - d. The definition of the Preponderance of the Evidence standard and a statement that this was the standard applied by the Hearing Officer in reaching their determinations
 - e. Any material evidence identified by the Parties or witnesses that the Hearing Officer determined was not Relevant (or duplicative) and the reason why the evidence was not considered to be Relevant.
 - f. A list of all questions submitted by the Parties at the hearing, and if any questions were not asked, why.
 - g. The Hearing Officer's evaluation of the Relevant and not otherwise impermissible evidence including an analysis of the credibility of the Parties and witnesses, when credibility assessments are required to resolve factual disputes. Credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.
 - h. A determination whether the alleged conduct occurred and if the conduct violated the Nondiscrimination Policy.
 - i. When the Hearing Officer finds that a violation of the Nondiscrimination Policy occurred, any Disciplinary Sanctions the University will impose on the Respondent, whether Remedies other than the imposition of Disciplinary Sanctions will be provided by the University to the Complainant, and, to the extent appropriate, other students identified by the University to be experiencing the effects of the violation of the Nondiscrimination Policy.
 - j. The procedures and permissible bases for the Complainant and Respondent to appeal.
2. The Title IX Coordinator will review the Hearing Officer's report to ensure compliance with the Nondiscrimination Policy.
3. The Hearing Coordinator will notify the Parties at the same time and in writing of the determination as to whether the alleged conduct and violation of the Nondiscrimination Policy occurred and will include a copy of the Hearing Officer's report. This notification will be issued within 15 Working Days of the end of the hearing, unless an extension is granted by the Title IX Coordinator/DHR Administrator. The notification will also include information regarding the Parties' appeal rights. The Student Conduct Administrator or other appropriate administrator will also be notified of the Hearing Officer's determination.

Hearing Outcome – No Violation Found

If no violation is found, the Hearing Coordinator will notify the Parties of the outcome and their appeal rights, as described above. The University president or designee will also be notified.

Hearing Outcome – Violation Found

If there is a determination that a violation of the Nondiscrimination Policy occurred, as appropriate, the Title IX Coordinator will:

1. Coordinate the provision and implementation of Remedies to a Complainant and other people the University identifies as having had equal access to its education programs or activities limited or denied by the Nondiscrimination Policy violation.
2. Coordinate the imposition of any Disciplinary Sanctions on a Respondent, including notification to the Complainant of any such Disciplinary Sanctions;
3. Take other appropriate prompt and effective steps to ensure that Sex-based Harassment does not continue or recur within the University's education programs or activities; and
4. Comply with the Nondiscrimination Policy procedures before the imposition of any Disciplinary Sanctions against a Respondent.

Statements from Parties, Title IX Coordinator, and Appropriate Administrator

If the Hearing Officer finds a violation of the Nondiscrimination Policy, the Parties may submit to the Hearing Coordinator an impact statement or other statement regarding discipline. The statement is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the Hearing Officer to consider. The statement may not be more than 2000 words in length and will be submitted to the Hearing Coordinator no later than 5 Working Days after the Hearing Officer's report is sent to the Parties.

The appropriate administrator and/or the Title IX Coordinator/DHR Administrator will also submit to the Hearing Coordinator a written statement regarding aggravating and mitigating factors no later than 5 Working Days after the Hearing Officer's report is sent to the Parties. The Hearing Coordinator will provide these statements to the Hearing Officer. Any information in the impact statement relied upon by the Hearing Officer in making their Disciplinary Sanction recommendation will be shared with the other Party with the president (or designee's) final decision and notification.

Recommendation as to Disciplinary Sanctions

Within 5 Working Days after receiving and considering the statements described above, the Hearing Officer will update their Hearing Officer's report to include the recommended Disciplinary Sanctions and submit it to the president (or designee).

Final Decision and Notification

Within 10 Working Days of receipt of the Hearing Officer's report, the president (or designee) will review the Investigation Report and the Hearing Officer's report and issue a decision concerning the appropriate Disciplinary Sanction.

1. **Adoption of Sanctions** – The president (or designee) may impose the recommended sanctions, adopt a different sanction or sanctions, or reject sanctions altogether. If the president adopts a sanction other than what is recommended by the Hearing Officer or rejects sanctions altogether, the president must set forth the reasons in the Decision Letter.

2. **Remedies** – The University may also provide Remedies, which may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, Campus escorts, restrictions on contact between the Parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the Campus, and other similar measures. The Title IX Coordinator/DHR Administrator is responsible for determining the reasonableness of the requested Remedy and coordinating the effective implementation of Remedies
3. **Decision Letter** – The Decision Letter will include:
 - a. The outcome of the hearing, including any sanction imposed, and the name of the Respondent.
 - b. A copy of the Hearing Officer's Report, including the Hearing Officer's recommended Disciplinary Sanctions.
 - c. Notice of the Complainant's and Respondent's right to appeal.
4. **Notification of Final Decision** – The president will send the Decision Letter electronically to the Respondent and Complainant at the same time.
 - a. The decision will also be sent to the appropriate administrator and the Hearing Officer.
 - b. The president will also send the Decision Letter to the Title IX Coordinator/DHR Administrator so that they may determine whether any additional Remedies or other Supportive Measures will be afforded or undertaken to maintain a safe and nondiscriminatory University environment.
 - c. A copy of the Decision Letter issued to the Complainant will be redacted as to findings regarding conduct that does not constitute a "crime of violence," Sexual Misconduct, Dating Violence, Domestic Violence, or Stalking (34 C.F.R. § 99.31 et seq.).
 - d. Unless the University and Parties are notified that an appeal has been filed, the president's (or designee's) sanction decision becomes final 11 Working Days after the date of the Decision Letter.

Appeal Procedures

For Complaints alleging Sex-based Harassment, either Party may file an appeal. For Complaints involving allegations of Discrimination, Harassment, Prohibited Consensual Relationships, or Retaliation only the non-prevailing Party may appeal.

Filing an Appeal to the Chancellor's Office

A written appeal may be submitted to the Chancellor's Office Civil Rights Programming & Services Appeals Unit ("Civil Rights Appeals Unit") no later than 10 Working Days after the date of the Notice of Investigation Outcome (non-hearing cases) or Final Decision (hearing cases). All arguments and/or evidence supporting the appeal must be submitted by the deadline to file the appeal. Arguments or evidence submitted after the appeal submission deadline will not be considered by the Civil Rights Appeals Unit. A written appeal may not exceed 3,500 words, excluding exhibits. Appeals will be submitted to:

Civil Rights Appeals Unit

Systemwide Human Resources

Office of the Chancellor

401 Golden Shore Long Beach, California 90802

CO-Appeals@calstate.edu

Electronic submission to the email address listed above is the preferred method of submitting appeals.

Bases for Appeal

An appeal will be based only on one or more of the appeal issues listed below:

1. There was no reasonable basis for the findings or conclusions that resulted in the investigation or hearing outcome.
2. Procedural errors occurred that would have likely changed the outcome of the investigation or hearing.
3. New evidence is available that would change the outcome and that was not reasonably available when the Investigator's or Hearing Officer's determination was made.
4. The Title IX Coordinator/DHR Administrator, Investigator, or Hearing Officer had a conflict of interest or bias for or against complainants or respondents generally or the individual Complainant or Respondent that would change the outcome.
5. The sanctions imposed was objectively unreasonable, or arbitrary based on substantiated conduct. (For Acceptance of Responsibility cases or Appeal reversals).

Issues and Evidence on Appeal

The issues and evidence raised on appeal will be limited to those raised and identified during the investigation or hearing, unless new evidence that was not reasonably available at the time of the investigation or hearing and that could change the investigation or hearing outcome becomes available after the University investigation or hearing was completed and is submitted by the appealing Party. The Civil Rights Appeals Unit may conduct an interview, at their discretion, with the appealing Party to clarify the written appeal.

Acknowledgement of Appeal

The Civil Rights Appeals Unit will provide prompt written acknowledgement of the receipt of the appeal to the appealing Party, and will provide written notification of the appeal, including a copy of the appeal, to the non-appealing Party and the campus Title IX Coordinator/DHR Administrator. The notice will include the right of the non-appealing Party and the University to provide a response to the appeal within 10 Working Days of the date of the notice. The appeal response will be limited to 3,500 words, excluding exhibits. Any response to the appeal received by the Civil Rights Appeals Unit will be provided to the appealing Party for informational purposes only.

Reasonable Accommodation

The Civil Rights Appeals Unit will provide reasonable accommodations to any Party or witness in the appeal process with a qualified Disability upon request by the person needing the accommodation. A reasonable accommodation may include an extension of time under these

Procedures. The timeframe for the Civil Rights Appeals Unit Response will automatically be adjusted for the time needed, if any, to provide reasonable accommodations. The Civil Rights Appeals Unit will consult with the appropriate university administrator (for Students, the services for students with disabilities administrator, and for Employees the appropriate human resources administrator) to determine the reasonableness of a requested accommodation.

Scope of Review

The Civil Rights Appeals Unit will not conduct a new investigation; however, the Civil Rights Appeals Unit may make reasonable inquiries to determine if the new evidence could have affected the investigation or hearing determination. On appeal, the Civil Rights Appeals Unit does not reweigh the evidence, re-decide conflicts in the evidence, or revisit determinations made by the Investigator or Hearing Officer about the credibility or reliability of witnesses and the Parties.

Civil Rights Appeals Unit Response

The Civil Rights Appeals Unit response will include a summary of the issues raised on appeal, a summary of the evidence considered, the Preponderance of the Evidence standard, and the determinations reached regarding the issues identified within the written appeal. A copy of the final Civil Rights Appeals Unit response will be forwarded to the Complainant, the Respondent, and the Title IX Coordinator/DHR Administrator. The appeal response determination is final and is not subject to further appeal.

Reopening a University Investigation or Hearing

If the Civil Rights Appeals Unit review determines that an issue raised on appeal would have affected the investigation outcome or hearing outcome, the investigation or hearing will be remanded back to the University and the investigation or hearing reopened at the campus level. The Civil Rights Appeals Unit will return the matter to the University and will specify in writing the timeline by which a reopened investigation or hearing must be completed. The Civil Rights Appeals Unit will notify the Parties of the reopening of the investigation or hearing and the timeline for completion of the reopened investigation or hearing. The University will complete the reopened investigation or hearing and provide the Civil Rights Appeals Unit with an amended final investigation report or Hearing Officer report. The University will also provide the Parties with amended notices of investigation outcome or final decision, and such notices will provide the non-prevailing Party the opportunity to appeal. Upon receipt of the amended final investigation report/final decision, if the outcome remains unchanged, the Chancellor's Office will contact the original appealing Party to determine whether that Party wishes to continue with the appeal. If the outcome is reversed by the University, the non-prevailing Party will be given an opportunity to appeal.

Reversal by Civil Rights Appeals Unit

If the Civil Rights Appeals Unit determines that no reasonable fact finder (Investigator or Hearing Officer) could have made the findings as determined by the Investigator or Hearing Officer, the Civil Rights Appeals Unit may vacate and reverse the investigation or hearing outcome, but only with respect to whether the Nondiscrimination Policy was violated (and not with respect to factual findings). If the Civil Rights Appeals Unit vacates and reverses the investigation or hearing outcome, it will notify the Parties at the same time and in writing, as well as the Title IX Coordinator/DHR Administrator. Following a reversal of an investigation or hearing outcome by the Civil Rights Appeals Unit, the decision is final and is not subject to further appeal. In the event that the final outcome has been reversed by the Civil Rights Appeals Unit and a sanction will be imposed by the University, both Parties have a right to appeal the sanction only. If a sanction is

found to be objectively unreasonable, or arbitrary based on substantiated conduct, the matter will be sent back to the University for reconsideration of the sanction.

Timeline for Response to Appeal

The Civil Rights Appeals Unit will respond to the appealing Party no later than 30 Working Days after receipt of the written appeal, unless the timeline has been extended pursuant to Section L below.

Timelines and Extensions

The Civil Rights Appeals Unit has discretion to extend the timelines for the appeal process for good cause or for any reasons deemed to be legitimate by the Civil Rights Appeals Unit. This includes the time for filing an appeal, the time for a reopened investigation or hearing to be completed, and the time for the Civil Rights Appeals Unit to respond to the appeal. The Civil Rights Appeals Unit will notify the Parties and the Title IX Coordinator/DHR Administrator of any extensions of time granted pertaining to any portion of the appeal process.

Disciplinary Sanctions and Remedies

The University will not impose discipline on a Respondent for violations of the Nondiscrimination Policy unless: 1) there is a determination at the conclusion of the formal complaint resolution that the Respondent engaged in prohibited Discrimination, Harassment, or Retaliation¹⁹; or 2) where discipline is agreed to as part of an informal resolution process.

If there is a determination that Discrimination, Harassment, or Retaliation occurred, the Title IX Coordinator/DHR Administrator will, as appropriate:

1. Coordinate the provision and implementation of Remedies to a Complainant and other people the University identifies as having had equal access to the University's education program or activity limited or denied by Discrimination, Harassment, or Retaliation;
2. Coordinate the imposition of any Disciplinary Sanctions on a Respondent, including notification to the Complainant of any such Disciplinary Sanctions;
3. Take other appropriate prompt and effective steps to ensure that Discrimination, Harassment, or Retaliation does not continue or recur within the University's education programs, activities, or employment; and
4. Comply with these Procedures before the imposition of any Disciplinary Sanctions against a Respondent.

Students who are found to have violated the Nondiscrimination Policy will be subject to discipline in accordance with state and federal requirements, student conduct rules, and other CSU policies. Sanctions for Students determined to have violated the Nondiscrimination Policy are identified in the Student Conduct Process: restitution, loss of financial aid, educational and remedial sanctions, denial of access to campus or persons, disciplinary probation, suspension, and expulsion. The University may also temporarily or permanently withhold a degree. Other sanctions and remedies may be agreed upon through the Informal Resolution process.

¹⁹ As used in these Procedures, the phrase "Discrimination, Harassment, or Retaliation" is inclusive of all forms of Prohibited Conduct outlined in the Nondiscrimination Policy, including Sex Discrimination.

Employees who are found to have violated the Nondiscrimination Policy will be subject to discipline that is appropriate for the violation and in accordance with state and federal requirements and other CSU policies and applicable collective bargaining agreements. The possible sanctions for Employees determined to have violated the Nondiscrimination Policy are education, training, counseling, reprimand, unpaid suspension of varying lengths, demotion, and/or termination.

The Complainant and Respondent may choose to be accompanied by an Advisor of their choice during meetings or any stage of the Complaint process. The Parties also have the right to consult with an attorney, at their own expense, or a union representative at any stage of the process if they wish to do so. An attorney or union representative may serve as a Party's chosen Advisor. The unavailability of a specific Advisor will not unduly interfere with prompt scheduling.

Registered Sex Offenders

California's sex offender registration laws require convicted sex offenders to register their status with the University police department if they are enrolled, residing, attending, carrying on a vocation (i.e., contractor or vendor on campus for more than 30 days in the year), or working with or without compensation for the institution. All public information available in California about registered sex offenders, to include the ability to look-up offenders by name, residence address, and zip code, is on the California Department of Justice Megan's law web site at <http://www.meganslaw.ca.gov/>

Missing Student Notification Procedures for On-Campus Student Housing Facilities

When a residential student is considered missing, students, employees or other individuals not affiliated with the University should make a report to the University Police Department immediately. It is the practice of Residential Life at San Francisco State to assist in the investigation for any report of a missing student living in one of the University's residence halls or apartments after the matter is referred to the University Police Department.

All students residing in a campus residence hall or apartment have the option to register one or more individuals to be a contact strictly for missing person's purposes. All students residing in a campus residence hall or apartment are requested to complete a Confidential and/or Emergency Contact form upon completing their License Agreement. The License Agreement is collected in advance of the student checking in to University residences. This contact can be anyone. Residential Students have this option even if they have already identified a general emergency contact. This contact information is registered confidentially and is only available to authorized campus officials. The information will not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation.

San Francisco State understands that student residents may make individual arrangements to stay outside of the University residences. As such, the location of students in the halls and apartments is not monitored by Student Leaders or other University staff. However, if there is a reason to believe a student is missing, all reasonable efforts will be made by Residential Life staff to locate the student to determine their state of health and well-being. These efforts include, but are not limited to:

- calling the student's cell phone number
- checking the student's room,
- speaking with friends and/or roommates,
- checking ID meal access, package logs, and OneCard Muni/BART access

Residential Life should immediately report a missing student concern to University Police after expending no more than 8 hours on attempts to locate the student before officially submitting a missing student report to University Police. Upon these efforts being exhausted with no successful contact of the student, Residential Life team members will refer all official missing student reports to the University Police Department at 415-338-2222. Residential Life will notify the Director of Residential Life (or their designee) and write an Incident Report detailing the efforts to locate the student reported as missing. The Director of Residential Life (or their designee) will contact the Associate Vice President & Dean of Students reporting all obtained information. The Dean of Students will in turn notify the Vice President for Student Affairs & Enrollment Management.

If upon investigation by the University Police Department the student is determined missing, staff from the University Police Department and/or Student Affairs & Enrollment Management will contact the resident's designated Confidential or Emergency Contact within 24 hours.

The University Police Department will also notify the local law enforcement agency within 24 hours of the official determination that a residential student is missing. This notification can be accomplished via the Missing and Unidentified Persons (MUPS) law enforcement database.

For any non-emancipated student under the age of 18, San Francisco State will notify a custodial parent or guardian, in addition to any other individual designated on the Confidential or Emergency Contact form, within 24 hours of the University Police Department determining that they are missing. University Police will continue to investigate, utilizing established procedures in collaboration with staff from Residential Life, other campus offices and local law enforcement agencies. University Police will make contact with the student's parents or legal guardian when a Confidential and/or Emergency Contact form cannot be located or has not been provided.

Appendix A: Jurisdictional Definitions²⁰

Rape (CA Penal Code Chapter 1 Section 261)

(a) Rape is an act of sexual intercourse accomplished under any of the following circumstances:

(1) If a person who is not the spouse of the person committing the act is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent. This paragraph does not preclude the prosecution of a spouse committing the act from being prosecuted under any other paragraph of this subdivision or any other law.

(2) If it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) If a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) If a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets any one of the following conditions:

(A) Was unconscious or asleep.

(B) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.

(D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(5) If a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.

(6) If the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate" means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.

(7) Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, "public official"

²⁰ Note that these are not the definitions used to compile the statistics at the beginning of these document. The federal definitions of Rape, fondling, incest, statutory rape, domestic violence, dating violence, and stalking are used for the statistics, as required by federal law.

means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.

(b) For purposes of this section, the following definitions apply:

“Duress” means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.

“Menace” means any threat, declaration, or act that shows an intention to inflict an injury upon another.

Sodomy (CA Penal Code Chapter 1 Section 286)

Sodomy is sexual conduct consisting of contact between the penis of one person and the anus of another person. Any sexual penetration, however slight, is sufficient to complete the crime of sodomy.

(b) (1) Except as provided in Section 288, any person who participates in an act of sodomy with another person who is under 18 years of age shall be punished by imprisonment in the state prison, or in a county jail for not more than one year.

(2) Except as provided in Section 288, any person over 21 years of age who participates in an act of sodomy with another person who is under 16 years of age shall be guilty of a felony.

(c) (1) Any person who participates in an act of sodomy with another person who is under 14 years of age and more than 10 years younger than he or she shall be punished by imprisonment in the state prison for three, six, or eight years.

(2) (A) Any person who commits an act of sodomy when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for three, six, or eight years.

(B) Any person who commits an act of sodomy with another person who is under 14 years of age when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for 9, 11, or 13 years.

(C) Any person who commits an act of sodomy with another person who is a minor 14 years of age or older when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for 7, 9, or 11 years.

(3) Any person who commits an act of sodomy where the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat, shall be punished by imprisonment in the state prison for three, six, or eight years.

(d) (1) Any person who, while voluntarily acting in concert with another person, either personally or aiding and abetting that other person, commits an act of sodomy when the act is accomplished

against the victim's will by means of force or fear of immediate and unlawful bodily injury on the victim or another person or where the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat, shall be punished by imprisonment in the state prison for five, seven, or nine years.

(2) Any person who, while voluntarily acting in concert with another person, either personally or aiding and abetting that other person, commits an act of sodomy upon a victim who is under 14 years of age, when the act is accomplished against the victim's will by means of force or fear of immediate and unlawful bodily injury on the victim or another person, shall be punished by imprisonment in the state prison for 10, 12, or 14 years.

(3) Any person who, while voluntarily acting in concert with another person, either personally or aiding and abetting that other person, commits an act of sodomy upon a victim who is a minor 14 years of age or older, when the act is accomplished against the victim's will by means of force or fear of immediate and unlawful bodily injury on the victim or another person, shall be punished by imprisonment in the state prison for 7, 9, or 11 years.

(e) Any person who participates in an act of sodomy with any person of any age while confined in any state prison, as defined in Section 4504, or in any local detention facility, as defined in Section 6031.4, shall be punished by imprisonment in the state prison, or in a county jail for not more than one year.

(f) Any person who commits an act of sodomy, and the victim is at the time unconscious of the nature of the act and this is known to the person committing the act, shall be punished by imprisonment in the state prison for three, six, or eight years. As used in this subdivision, "unconscious of the nature of the act" means incapable of resisting because the victim meets one of the following conditions:

(1) Was unconscious or asleep.

(2) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(3) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.

(4) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.
