MEMORANDUM

Wednesday, September 30, 2026

TO: San Francisco State University Community

FROM: Chief Reginald Parson 
AVP & Chief of Police
Division of Campus Safety

SUBJECT: AB 481- Regulated Tools and Equipment: Annual Report

The University Police Department at San Francisco State is committed to transparency, communication, and engagement with members of the campus community. In July of 2022, pursuant to Assembly Bill 481, California State University Board of Trustees approved a system-wide Regulated Tools and Equipment policy for its twenty-two (22) University Police Departments. This policy was adopted and published as outlined by the San Francisco State University Police Department within [Policy 706](#).

Assembly Bill 481 and Policy 706 require every law enforcement agency in the State of California to publish certain information annually regarding specified regulated equipment.

Of the sixteen regulated types of equipment and tools outlined in Assembly Bill 481, San Francisco State University Police Department only maintains the Extended Range Impact Weapon (ERIW) "Bean Bag" Shotgun.

Information regarding the use, policy compliance, funding, and inventory for the period of July 1, 2025, through June 30, 2026, are outlined below:

Summary of how regulated tools and equipment were used, and the purpose of its use:

- UPD did not have any cases involving the use of the Extended Range Impact Weapon "bean bag shotgun."

Summary of any complaints or concerns received concerning regulated tools and equipment:

- UPD did not receive and complaints or concerns regarding the use of any of the Extended Range Impact Weapon "bean bag shotgun."

Results of any internal audits, any information about violations of the regulated tools and equipment policy, and any actions taken in response:

- UPD did not receive any audit findings or information about violations associated with the regulated tools and equipment policy.

Annual cost and source of funds for regulated tools and equipment:

- Total expenditures in fiscal year 2025/26 to support training and readiness of the Extended Range Impact Weapon (ERIW) is \$1000. Department general funds will be used for these annual costs in the 2026/27 fiscal year.

MEMORANDUM

Current inventory of regulated tools and equipment:

- Ten (10) Extended Range Impact Weapon (ERIW) “bean bag shotgun” with approximately 1,000 shells of 12GA less than lethal “Bean Bag”.

Planned purchases of additional regulated tools and equipment in fiscal year 2026/27:

- No purchases of additional regulated equipment are planned for FY 2026/27.

To further our efforts toward transparency and open communication, UPD will conduct a presentation on AB 481 with the SF State Public Safety Advisory Committee in October 2026. Committee members will have an opportunity to ask questions and discuss AB 481. An additional campus community meeting will be held in October 2026. Additional information about UPD policies, contact information, and other services provided to the campus can be located online at: <https://upd.sfsu.edu/transparency>
